

The background of the entire image is a solid orange color. On the left side, there is a large silhouette of a construction crane. At the bottom, there are several silhouettes of construction workers. Some are standing near the base of the crane, and others are further to the right, appearing to be working on the ground. The crane's boom extends diagonally upwards from the bottom left towards the top left. The hook of the crane is visible. The overall scene suggests a construction site at sunset or sunrise.
