

# Materials Declaration

Product: HANSAMEDIPRO Protec  
Product name: Washbasin faucet, 230/9 V, Bluetooth  
Model number: 05672129  
SCIP Number (ECHA): bd66cd46-d88d-47f3-905f-1dd9b6d15a45  
Weight: 1.428 Kg ( including package: 1.652 Kg )

| Materials (product):                                                                         | Weight     | %        |
|----------------------------------------------------------------------------------------------|------------|----------|
| Brass                                                                                        | 1126.6 g   | 78.90 %  |
| Stainless steel (AISI)                                                                       | 90.5 g     | 6.34 %   |
| Softpex                                                                                      | 38.4 g     | 2.69 %   |
| POM (Polyoxymethylene)                                                                       | 37.7 g     | 2.64 %   |
| PVC (Polyvinyl Chloride)                                                                     | 36.0 g     | 2.52 %   |
| Zinc (Zn)                                                                                    | 33.2 g     | 2.33 %   |
| Copper (Cu)                                                                                  | 23.2 g     | 1.62 %   |
| TPU (Thermoplastic Polyurethane)                                                             | 11.2 g     | 0.78 %   |
| EPDM (Ethylene Propylene Diene Monomer)                                                      | 5.6 g      | 0.39 %   |
| Svhc                                                                                         | 4.0 g      | 0.28 %   |
| PP (Polypropene)                                                                             | 4.0 g      | 0.28 %   |
| Silicone                                                                                     | 3.5 g      | 0.25 %   |
| Glue                                                                                         | 3.2 g      | 0.22 %   |
| PC (Polycarbonate)                                                                           | 2.8 g      | 0.20 %   |
| Bronze                                                                                       | 2.0 g      | 0.14 %   |
| PPSU (Polyphenylsulfone)                                                                     | 1.7 g      | 0.12 %   |
| PSU, GF20 (Polysulfone)                                                                      | 1.0 g      | 0.07 %   |
| PPO, GF30 (Polyphenylene Oxide)                                                              | 1.0 g      | 0.07 %   |
| PA12 (Polyamide)                                                                             | 0.8 g      | 0.06 %   |
| NBR (Nitrile Butadiene Rubber)                                                               | 0.6 g      | 0.04 %   |
| Fibreglass                                                                                   | 0.5 g      | 0.04 %   |
| Nickel (Ni)                                                                                  | 0.4 g      | 0.03 %   |
| Epoxy resin                                                                                  | 0.3 g      | 0.02 %   |
| Fused Silica                                                                                 | 0.3 g      | 0.02 %   |
| TPE (Thermoplastic Elastomer), Chromium (Cr), Tin (Sn), Silicon (Si), Silver (Ag), Iron (Fe) | Σ 424.7 mg | 0.03 %   |
| Gold (Au), Palladium (Pd), Manganese (Mn), Cobalt (Co), Phosphorus (P)                       | Σ 2.1 mg   | < 0.01 % |
| Materials (package):                                                                         |            |          |
| Corrugated board, Paper fibre                                                                | 120.0 g    | 7.27 %   |
| Paper                                                                                        | 61.5 g     | 3.72 %   |
| Fibrebased covering, Paper fibre                                                             | 41.0 g     | 2.48 %   |
| LLDPE (Linear Low Density Polyethylene)                                                      | 3.9 g      | 0.24 %   |
| Sharp Tear                                                                                   | 0.2 g      | 0.01 %   |
