 Inspector

The above site was inspected in accordance with the Aquatic Animal Health (Scotland) Regulations 2009.

On this occasion, the site was found to be fallow. There are no plans to restock the site, therefore the potential to change the status to inactive was discussed with the business. However, at this time it has been agreed the site should remain active.

Please contact myself or the duty inspector should you require any further information or have any queries regarding this report.
