Fish Health Inspectorate visit report

Summary for information of site operator

Business no:	FB0119	Date of visit:	19/02/2026
Site no:	FS1067	Site name:	Inverawe (East) Etive 2
Case no:	20260043	Inspector:	

Inspection under the Aquatic Animal Health (Scotland) Regulations 2009

The above site was inspected, in accordance with the Aquatic Animal Health (Scotland) Regulations 2009 to determine if the site can be made inactive.

The site was fallow with no production facilities in the water.

Records

The information required for the public record of aquaculture production businesses regarding this site was verified and where necessary updated.

The following records were also inspected to ensure that the conditions of authorisation for your Aquaculture Production Business (APB) are being met:

Aquaculture animal and aquaculture animal product movement records were inspected and appeared to be adequately maintained.

Mortality records were inspected and found to be adequately maintained.

The site will be made inactive.

Please contact myself or the duty inspector should you require any further information or have any queries regarding this report.

Signed:

Date: 25/02/2026
