Fish Health Inspectorate visit report

Summary for information of site operator

Business no:	FB0071	Date of visit:	18/03/2026
Site no:	FS0821	Site name:	Kilcalmonell Hatchery
Case no:	20260077	Inspector:	██████████

Inspection under the Aquatic Animal Health (Scotland) Regulations 2009

The above site was inspected in accordance with the Aquatic Animal Health (Scotland) Regulations 2009. On this occasion, the site was found to be fallow.

Records

The information required for the public record of aquaculture production businesses regarding this site was verified and where necessary updated. The following records were also inspected to ensure that the conditions of authorisation for your Aquaculture Production Business (APB) are being met:

Aquaculture animal and aquaculture animal product movement records were inspected and appeared to be adequately maintained.

Mortality records were inspected and found to be adequately maintained.

No mortality levels exceeding the reporting criteria have been recorded since the last inspection.

The site status will be changed to inactive and the status of the Aquaculture Production Business (APB) will be changed to non-producing. A separate report will be issued when these changes have been processed.

Please contact myself or the duty inspector should you require any further information or have any queries regarding this report.

Signed: ██████████

Date: 24/03/2026
