THE IMPACT CATALYST

NEWSLETTER | ISSUE 11 JANUARY 2026

From the editor's desk

As we step into a new year, we are pleased to present the 11th issue of the Integra Venture's Quarterly Newsletter which is a reflective yet forward-looking edition that captures the essence of our journey through 2025 and sets the tone for what lies ahead.

The year gone by has been one of growth, collaboration, and purposeful impact. Through diverse engagements across healthcare consulting, capacity building and public health systems strengthening, Integra Ventures continued its commitment to delivering value-driven solutions aligned with evolving sectoral needs.

This issue brings together 2025 snapshots that highlight key milestones, insightful blogs that reflect emerging perspectives, vertical-wise highlights showcasing our collective achievements, and client testimonials that reaffirm the trust placed in us. We also take this opportunity to share new opportunities at Integra Ventures, as we expand our team and capabilities to meet the demands of a dynamic healthcare ecosystem.

As we begin this new year, we remain focused on excellence, integrity, and innovation, guided by our vision to create sustainable impact across healthcare systems. We thank our clients, partners, and team members for their continued support and look forward to another year of meaningful collaborations.

Wishing you a purposeful and successful year ahead.

"Appreciation for Exceptional Management Training by Integra Ventures"

We are pleased to share our appreciation for Integra Ventures for successfully conducting an 8-day Management Training Programme for our management staff at *Acme Fertility & HealthCare Centre, Hiyang Hiren Leirak, Palace Compound, Manipur.*

The programme was well-structured, practical, and highly relevant to the operational and strategic needs of a hospital environment. The trainers demonstrated strong domain expertise and an excellent understanding of healthcare management challenges, delivering sessions that were engaging, insightful, and immediately applicable to our day-to-day functions.

The training not only enhanced managerial competencies but also encouraged collaborative thinking, improved communication, and strengthened leadership skills among our team. Feedback from participants has been overwhelmingly positive, highlighting the clarity of concepts, real-world case discussions, and interactive approach adopted by Integra Ventures.

We sincerely appreciate the professionalism, commitment, and quality of delivery demonstrated by the Integra Ventures team and look forward to collaborating with them on future learning and development initiatives.

With Regards,

" Excellence in NABH Consultancy Services by Integra Ventures Pvt. Ltd. "

We are pleased to share our experience with Integra Ventures Pvt. Ltd. for their consultancy support during our NABH Accreditation Programme. Their team provided comprehensive guidance from gap analysis to final accreditation readiness.

They supported us in documentation, SOP implementation, staff training, mock assessments and closure of non-conformities. Their strong understanding of NABH standards and practical approach helped strengthen our quality systems and patient safety practices.

We especially appreciated their hands-on guidance, timely follow-ups, and ability to simplify NABH requirements for effective implementation across departments. With their professional support, we successfully completed the NABH accreditation project and confidently recommend their services.
