Zodoreje, lape zodiredo Noco Mada,
hoath Iaida.
hoathahe IAIDA.

Modern English Translation

O you the governor of the first flame under whose wings are 6739
which weave the earth with dryness: which knows the great name
Righteousness and the Seal of Honour. Move and show yourselves: open
the Mysteries of your Creation: be friendly unto me: for I am the
servant of the same your God, the true worshipper of the Highest.
