PLEASE REVIEW HEALTH REQUIREMENTS AND RULES LISTED ON THE IOWA STATE FAIR WEBSITE.**

This photograph was taken for artistic reasons or newsworthiness and I agree that it may be released to any medium and may be used in any manner for any purpose whatsoever without compensation.

PREMISES IDENTIFICATION NUMBER

19. Premises Identification Numbers are not mandatory to exhibit livestock (beef, dairy, horses, swine*, sheep, goats, poultry and rabbits) at the 2025 Iowa State Fair.

Producers who choose to register their premises will be better informed to protect their premises and their livelihood. In turn, they will help prevent disease spread and minimize the economic damage of an animal disease outbreak or animal health event. Registering a premise involves obtaining a seven-character alpha-numeric "identifier" for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, housed, managed or processed.

When including the Premises ID number on entry forms, please use the identifier for the location where the animal is primarily housed.

If an exhibitor wants to register their premises, an application form can be found on-line at www.iowaagriculture.gov/animalindustry.asp. An application can also be obtained by calling 888-778-7675. The application process may take up to 4 weeks to receive the number.

* Premises ID Number(s) must be provided on entry forms to participate in the Open Market Swine Show.

PREMIUMS

20. Premium checks in all departments will be paid as soon after the close of the Fair as possible. Since the books for the Iowa State Fair will be closed in October, any discrepancies in the amounts of premium checks must be called to our attention before October 15. No claims for error after that date can be honored.
21. The Iowa State Fair Board is pleased to list special premiums and awards in the Premium Book, but will not be responsible for their payment or delivery unless they have been received by the Competitive Events Director by opening day of the Fair.

22. Special prizes will not be accepted for classes that do not conform to the regular classifications of the department in which they are offered unless for reasons satisfactory to the Executive Committee and the superintendent of the department in which they are offered.
23. When there is only one exhibitor in a class, the first prize, if merited, will be awarded. When animals are not worthy of first prize, judges may, at their discretion, award a prize or prizes of such grade as the animals merit. When there is competition, all prizes may be awarded so far as there are worthy entries. If two entries are equal, both place monies are to be totaled and divided equally.
24. The Iowa State Fair is required to report payments of \$600 or more to the Internal Revenue Service. Any exhibitor receiving \$600 or more will be required to provide the Iowa State Fair with a completed IRS Form W-9 providing a taxpayer identification number. These exhibitors will be sent a form from the Iowa State Fair Competitive Events Department. The exhibitor's premium check will be mailed after a completed W-9 has been returned to the Competitive Events Department.

TIE RINGS & BEDDING

25. Any and all persons participating in any and all events governed by this Premium Book acknowledge the following:
 - A. If applicable, said participants must tie their animal(s) in the tie ring(s) furnished by the Iowa State Fair.
 - B. The use of paper bedding is prohibited in the Iowa State Fair's barns.
 - C. Failure to comply with this provision in a timely manner shall be grounds for immediate dismissal from continued participation in the Fair and the forfeiture of all entry fees, charges, ribbons, championships and premiums awarded.

FANS, OTHER ELECTRICAL APPLIANCES & EXTENSION CORDS

26. All fans, electrical appliances and extension cords used in the livestock barns or dormitories must include a ground, must have safe wiring and must be in safe operating condition. All fans used in livestock barns or dormitories must have a protective screen (front and back). Only one fan per animal will be allowed. The use of butt fans is prohibited in all barns. For Beef and Dairy Cattle only overhead fans located in the front half of stalling area will be allowed. No air duct apparatuses will be permitted. If any and all persons participating in any and all events governed by this Premium Book are in doubt concerning the acceptability of their fan, other electrical appliance or extension cord they should consult the superintendent. Any and all persons participating in any and all events covered by this Premium Book hereby acknowledge the following:
 - A. The superintendent has the express authority to determine if any fan, other electrical appliance or extension cord complies with this rule.
 - B. Should the superintendent determine that a fan, other electrical appliance or extension cord does not comply with this provision; the superintendent has the express authority to require that use of the fan, other electrical appliance or extension cord be immediately discontinued.
 - C. Failure to comply with this provision in a timely manner shall be grounds for immediate dismissal from continued participation in the Fair and the forfeiture of all entry fees, charges, ribbons, championships and premiums awarded.
 - D. Any and all persons participating in any and all events covered by this Premium Book are responsible for performing all steps necessary to assure that any fans, other electrical appliances and extension cords are in good repair and free of dangerous conditions or defects. Pursuant to the provision of this Premium Book the Fair may, but has no duty to do so, determine if any fan, other electrical appliance or extension cord meets these requirements established in this portion of this Premium Book.
 - E. Exhibitors found to be using excessive electrical outlets will be asked to discontinue use by the Superintendent. Failure to comply with this request in a timely manner shall subject the exhibitor to disciplinary action.
27. **NO personal generators will be allowed on Fairgrounds.**

NEW BREEDS IN COMPETITION

28. The Iowa State Fair Board must approve the breed association's application for a specific breed show. A breed showing for the first time at the Iowa State Fair must show for two years and have at least 35 head, 25 of which must be from Iowa, and a minimum of five exhibitors. During these two years, the sponsoring breed association pays the premiums. The Iowa State Fair provides the judge, ribbons and banners.

BREED PROBATION

29. To place an established breed of livestock on probation the following shall apply:
 - A. Any breed of livestock on the show schedule for the Iowa State Fair shall maintain a three-year rolling average of at least two separate Iowa breeder/farms and 30 head shown during the Fair. Should the breed fall below this average, a letter of probation shall be sent by the Competitive Events Director of the Fair to both the state president of the breed association and the national headquarters of the breed.
 - B. During the first probation year the Fair shall deduct 25% of the offered premiums by the Fair. If during this probation year the breed does not show a minimum of two separate Iowa breeders/farms and 30 head, the breed shall be disqualified from showing at the Iowa State Fair beginning the following year. Should the breed during this probation year show at least the minimum head/breeders required, the three-year rolling average shall be computed. If that average is still below the minimum requirement, the breed shall be placed on a second year of probation with an additional 25% of the offered premiums by the Fair from the previous year deducted. At the end of the second consecutive year of probation, the breed must meet the three-year rolling average or be eliminated from being a recognized Iowa State Fair breed. Should a breed that has been placed on the first year of probation raise its three-year rolling average to the minimum head/breeder requirement, the breed shall be reinstated to full premiums and removed from probation for the following year. After elimination from the show schedule, the breed shall have the opportunity to re-introduce the breed through the exhibition process.
 - C. The Iowa State Fair shall provide a judge for any livestock show held during the annual Iowa State Fair.
 - D. The same entry fees shall be paid by all livestock exhibitors regardless of show status.

VETERINARY OFFICE

30. The Veterinary Office hours are 8:00 a.m. to 5:00 p.m., August 5-17. Please schedule your arrival to give yourself ample time to go to the Veterinary Office for checking of health certificates.
31. Exhibitors are responsible for taking their animals' health certificates to the Veterinary Office for approval. Health certificates must be examined, approved and stamped by the veterinarian in the Veterinary Office prior to animals being checked in.
32. **HEALTH CERTIFICATES NOT COMPLETED PROPERLY WILL BE DENIED AND THE OWNER WILL BE REQUIRED TO OBTAIN A NEW CERTIFICATE AT OWNER'S EXPENSE.**
33. Falsifying or tampering with a health certificate is a federal and state offense and will be grounds for disqualification and removal of all animals listed on the health certificate. (Iowa Code 163.18 and 163.24) Official State Fair Veterinarians are available to inspect animals and complete health certificates if a problem arises.
34. No drugs or medications **or medical treatment** of any kind may be administered except by the Official Iowa State Fair Veterinarian once an animal

arrives on the Iowa State Fairgrounds. All animals are subject to random drug test.

35. **While on the Iowa State Fairgrounds genetic material cannot be taken from exhibited animals except if needed for official animal verification purposes by the Iowa State Fair or breed organization.**

INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS (IAFE) CODE OF SHOW RING ETHICS

36. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- A. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- B. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- C. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- D. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which cumulates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internal or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- E. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal is prohibited.
- F. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.
- G. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- H. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- I. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- J. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
- K. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
