4. All meat goats must be identified at nomination time with either an official Iowa State Fair issued FFA tag or does may use recognized registry tattoo numbers (both ears). Yearling and aged does may use previously issued Iowa State Fair FFA tags or may use recognized registry tattoo numbers (both ears). All meat goats (market and breeding) must have hair samples collected at nomination time. Scrapie tags are not to be used for identification.
5. **Entries must be submitted online on or before July 1.** Entry fee is \$10 per head. Each exhibitor may enter four does, two bucks and four market animals. **Plan up to four animals per pen.**
6. **BREEDING SHOW:** Purebred animals with registration paper will show by age. Commercial animals will show by weight.
7. Does shown as breeding cannot be shown as market.
8. **WEIGHT LIMIT.** Market meat goats must weigh a minimum of 50 pounds. Market goat classes will be divided by weight.
9. **AGE.** Market meat goats must have kid teeth in normal positions at time of check-in. Any meat goat having lost any kid teeth will be disqualified. Breeding bucks must be under 1 year of age.
10. **HAIR.** All market animals must be uniformly clipped with 3/8 inch length of hair or less above the knee and hock joints to include the head, excluding the tail, prior to arrival on the grounds.
11. **PENS.** All meat goats must be penned in the assigned pens (adjustments may be made by show supervisors based on space).
12. FFA chapter signs may be placed above pens to attract people to FFA exhibitor pens. However, individual farm signs and advertising will not be permitted.
13. **BEDDING AND FEED.** Shavings are preferred to be used in pens. Rubber mats are acceptable but must have a layer of bedding underneath. **Carpeting is NOT ALLOWED.** You may bring your own bedding or there will be bedding available for purchase on the Fairgrounds. Bring your own feed and water buckets.

16. Each FFA member shall take responsibility for caring for and grooming his/her own animal(s). If assistance is needed it should be intended to help the FFA member learn new skills. FFA members can only be assisted by an immediate family member, fellow active Iowa FFA member and/or chapter advisor in fitting and grooming their meat goat. No other assistants will be permitted. Anyone found in violation of this rule will be disqualified. Family members include and are limited to: parent/legal guardian, brother, sister or step-siblings.
17. No fresh tattoos accepted at check in.
18. Exhibitors are expected to care for their meat goats in an acceptable manner. **NO MUZZLES OF ANY KIND ARE ALLOWED!** Any abusive care including slapping or excessive modification of meat goats will be grounds for disqualification at the discretion of the show officials.
19. Drenching will not be allowed. There are quality assurance issues involved with this practice. If there are health concerns involved regarding dehydration, the State Fair Veterinarian should be contacted.
20. **DECLARED WEIGHTS.** A declared weight system will be used for official weights. A weight card obtained from the Superintendent must be filled out by all market and commercial meat goat exhibitors and turned in by the designated time. The weight turned in will become the official weight.

If weight cards are not turned in by the deadline, those animals will not be eligible to show in their respective shows.

Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors' convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed. Exhibitors are not allowed to move or unplug scales.

The top animals in each class will be weighed immediately following their class to determine if they are eligible to return for division champions. Goats not weighing within 5 pounds (+ or -) of its official weight will be disqualified. All market goats are subject to be selected to be weighed.
