2. Open Class Livestock general rules, regulations and health requirements apply in this department. In case general rules conflict with Boer Goat Department general or special rules, the latter shall govern.
3. **SUBMITTING ENTRIES.** Entries **must be made online** at <https://www.iowastatefair.org/participate/competition/enter-open-class-animals>.
4. **ENTRY DEADLINE IS JULY 1.** Entries must be submitted on or before July 1.
5. **ENTRY FEES.** Each exhibitor, as a requirement for entry, will pay an entry fee of \$7 per head. **Entry Fee must accompany entry or it will be returned.** This entry fee must be paid for all Boer Goats entering Open Class, including those already entered in 4-H or FFA. Tack pens are \$7, if available.
6. **LATE ENTRIES.** Entries submitted July 2 - July 8 will be charged a late fee of \$10 per head in addition to regular entry fees. No entries will be accepted after July 8. Entries are accepted according to earliest submit date.
7. **ENTRY FORM.** Entry form must include division and class number, animal name, tattoos (both right and left ear), tag and birth date. The only information that may be pending at the time of entry is the registration number. Unnamed entries will not be accepted in individual classes. The Superintendent reserves the right to reject incomplete or inaccurate entries.
8. **REFUNDS.** No refunds of fees will be made unless cancellation is received **IN WRITING** (letter or e-mail) by **July 21**. 11. **VEHICLE PERMITS.** Each exhibitor may purchase a vehicle parking permit at \$10 per day. Each exhibitor is limited to two ongrounds lot permits per day. Any additional passes will be issued for Lot Y. Vehicle permits must be purchased in advance by indicating the specific days needed on the Boer Goat Entry Form. Each vehicle permit will park one car or truck (**no trailers**) in a Fairgrounds lot for the specified day(s). **Vehicle permits are required to park in Fairgrounds lots on a space available basis. Parking will not be available at the gate.**

PENS

12. **TACK PENS.** When requesting tack pens for the Open Show, designate if your animals are also entered in the 4-H or FFA Show. PLEASE NOTE: The number of tack pens assigned will be based on the number of animals brought to the Fair, not the number of animals entered. Tack pen availability: 1-15 animals = 1 tack pen; 16-30 animals = 2 tack pens; 31-45 animals = 3 tack pens; 46 animals and over = 4 tack pens. Two exhibitors may share a tack pen with permission from the Superintendent. Tack pen availability will be calculated on a family or farm basis, not per entry form submitted.
13. **GOAT PENS.** Amount issued depends on availability. 1 pen = 3 market, 3 doe kids, 3 buck kids, 2 yearling does or 1 buck 9-12 months.
14. You may want to bring snow fencing to put around your pens to keep goats in or pen dividers to separate goats that are expected to share a pen.
15. **BEDDING AND FEED.** **Shavings are preferred to be used in pens. Carpeting is not allowed as bedding. Rubber mats are acceptable.** You may bring your own bedding or there will be bedding available for purchase on the Fairgrounds. Bring your own feed and water buckets.

ELIGIBILITY OF ANIMALS

16. **REGISTRATION.** All goats participating in the ABGA sanctioned Boer Goat Show must be registered purebred, fullblood or percentage in the herd book of the American Boer Goat Association before the opening date of the Fair. Original registration certificates are required to be presented at show check-in, except that a copy of a registration application, stamped with the date received by the association, can be accepted for kids less than three (3) months of age. Animals over the age of three (3) months must have the original registration certificate in hand at the time of show. Temporary registration certificates generated at the time of online registration with ABGA will be accepted in lieu of the original registration certificate until the expiration date indicated. Animals must be registered in the name of the exhibitor. Exhibitor is defined as the owner of the animal on its registry certificate. Exhibitors that are entering an animal in which the registration certificate names another family, farm or partnership member please contact the Boer Goat Superintendent to obtain instructions on providing supporting documentation. Proof of birth date will be the date on the registration certificate. Please use the exact information from the registry certificate to complete your entry form.

17. Goats participating in the Meat Goat Show (commercial and market classes) do not require registration certificates.
18. All goats must be appropriately identified and comply with USDA Scrapie Eradication Program Guidelines. Call 1-888-USDA TAG (873-2824) or visit the following website for more information: http://www.aphis.usda.gov/animal_health/animal_diseases/scrapie/.
19. All market and commercial animals must be identified with either an Individual Scrapie Flock of Origin identification tag and/or 4-H/FFA tag. This scrapie tag and/or 4-H/FFA tag must be listed on the Certificate of Veterinary Inspection and entry form.
20. **TATTOOS.** All goats must have legible tattoos consistent with the registration certificate or the animal will be disqualified. If an animal is disqualified due to illegible or inconsistent tattoos, all lower placing animals will be moved up in placement. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that tattoos are read and properly recorded. The Superintendent will be responsible for recording the tattoos and informing the judge as to which point-eligible goats will need to be checked. The permanent identification must match the registration paper. No tattooing allowed after unloading. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
21. **OWNERSHIP.** It is the responsibility of the exhibitor to refrain from presenting any animal owned by the presiding judge within 90 days prior to the show date.

CLASSES

22. **COMPUTING AGES.** Birth dates, as listed on the registration certificate, will be used in determining class divisions. In order to calculate the class breaks, take the show date and count back to the birth date to determine the age and the class for the animal. For example, for a December 1 show, an animal with a January 1 birth date would be eleven (11) months old and would show in a kid class.
23. **ENTRIES PER CLASS.** Each exhibitor may show no more than three animals in each class with the exception of market and commercial doe classes. **In the market and commercial doe classes, up to four animals may be shown per exhibitor.** No animals shall be changed from one class to another after entry deadline unless it is ineligible for the class in which it is entered.
24. **SUBSTITUTIONS.** Substitutions are allowed and must have same ownership as the original entry. Substitutions will be made at check in.
25. **DIVISION ELIGIBILITY.** Percentage doe classes are for goats 50% to 88%, Purebred/Fullblood classes are for does that are 93.75% and higher; 96.87% and higher for bucks. Bucks 96.86% and lower are not eligible to be shown. Progeny of fresh does will not be allowed in the ring with their dam. The Champion and the Reserve Champion classes will be chosen from the first and second place animals in that division. The Division Champions will be selected from the first place winners of the individual classes. The Reserve Division Champions will be selected from the remaining first place class winners of the individual classes plus the second place winner of the class from which the Division Champion was chosen. The Grand Champion will be selected from the Division Champions. The Reserve Grand Champion will be selected from the remaining Division Champions plus the Reserve Division Champion from which the Grand Champion was chosen.
26. **JUDGING.** At the discretion of the judge and superintendent, goats may be turned loose in the ring as a function of judging.
27. **COMMERCIAL BREEDING DOE CLASSES.** Commercial classes are for meat does that are not eligible to be registered in the herd book of the ABGA. Animals that have ABGA tattoos and registration certificates will be ineligible for these classes with the exception of the use of an approved tattoo in an effort to comply with the USDA Scrapie Eradication Program identification requirements. An exhibitor's entry form must include complete and accurate information. This includes noting the date of birth and tag number(s) for each doe entered. Animals that are less than 12 months of age must have their milk teeth. All commercial does will be weighed and teeth will be checked at show check-in to verify the reasonableness of the age reported on the entry form. Commercial doe entries will be disqualified if the Superintendent determines that the exhibitor materially misrepresented the information on the entry form. Entries will be broken into classes at the discretion of the Superintendent by age.
28. **MARKET CLASSES.** All market animals will be weighed at show check in with a minimum acceptable weight of 40 pounds. Market animals will be broken into classes based on weights taken at check in time. There will be 15-20 goats per class. All market animals must have their milk teeth. No adult teeth allowed. Market does will be judged similar to the market wether class. The market doe class is not a breeding class.
29. Goats showing in market doe classes are not eligible to also show in breeding doe classes. Goats showing in the commercial doe classes are not eligible to show in the market or ABGA classes.
30. **SHOWMANSHIP.** Exhibitors can participate in Showmanship Classes during the Meat Goat Show. Showmanship entries will be divided into classes based on age as of January 1, 2024 and in accordance with IMGA age breaks. Exhibitors can sign up for these classes during check in. The State Fair will not provide premiums or awards for these classes. Private donations may be accepted for awards.

FITTING

31. Injection, drenching or application via any orifice (e.g. mouth, nose, anus/rectum) of any substance is prohibited. Further, the application of any substance to transform the true confirmation, configuration or natural color of the goat is prohibited. Animals showing signs of being unethically fitted will be disqualified and exhibitors may face further repercussion.
32. No powdering, painting, artificial coloring or external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation or appearance will be allowed. Grooming products that are not restricted from use in Boer goats include: brushes, combs, clippers, hoof trimmers, shampoos, conditioners, oils, mousse, alcohol/liniment and clear adhesives.
33. All **market wethers and market does** must be uniformly clipped with 3/8" length of hair or less above the knee and hock joints, to include the head, excluding the tail, prior to arrival on the grounds.
34. Commercial does will be judged as breeding animals and can be fitted at the discretion of the exhibitor.

DISQUALIFICATION

35. Any goat showing any pronounced defect or abnormality, such as a weak constitution, unthrifty condition, overshot jaw or undershot jaw, abnormal abscesses, will be barred from showing in any of the classes. Illegible tattoos or tattoos inconsistent with registration will result in disqualification. Identification tag(s) on market wethers inconsistent with entry form and Certificate of Veterinary Inspection will result in disqualification. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show.
36. All bucks must be kept as odor free as possible. If a buck is deemed to be an odor problem and/or hazard by the Superintendent, the buck must be removed from the Fairgrounds.
37. **BRACING.** Excessive animal bracing is not allowed. Front feet must remain on the arena floor during Judge's evaluation. Exhibitors may lift feet off the ground for a period not to exceed 10 seconds when posing the goat (per ABGA Rules). The Superintendent, judge or designated ring staff reserve the right to disqualify any exhibitor for bracing.
38. Muzzling of animals is prohibited.
39. **NONCOMPLIANCE.** Noncompliance to show rules will result in dismissal from the show.
