RULES AND CONTEST INFORMATION

1. Individuals competing in the State Fair Spelling Bee must qualify under the following basic requirements:
 - a. They must have completed school in the grade level of competition they enter;
 - b. They must NOT have reached ON OR BEFORE January 1, 2023 their ninth (9) birthday for First and Second grade competition; their eleventh (11) birthday for Third and Fourth grade competition; and thirteenth (13) birthday for Fifth and Sixth grade competition.
2. Entries for the Spelling Bee: The number of entries will be limited to seventy (70) participants in each Bee level conducted at the Iowa State Fair. No more than one student entry from each school for each Bee Level will be considered for the seventy positions unless there are fewer entries than the maximum number allowed. Others may register and if all single entries are entered then we consider the entries as they are received in the Iowa State Fair Office and whether the entrant is the 2nd, 3rd, or 4th, etc. from a given school. All entries will be received and vacant slots filled on a first come, first serve basis by date received and number of students from a given school.
3. Words used in the State Fair Spelling Bee shall be selected from Webster's Third New International Dictionary, copyright 2005 Merriam-Webster Inc., and its Addenda Section.
4. Words shall be pronounced according to the diacritical markings in Webster's Third New International Dictionary, copyright 2005 Merriam-Webster Inc., and its Addenda Section, from which the pronouncer shall select the definition or definitions that he/she gives. With the approval of the judges, he/she may give a fuller explanation of the meaning of the words to supplement the dictionary definition or definitions quoted.
5. In competition, after the pronouncer gives the contestant a word, the contestant will be encouraged to pronounce the word before spelling it and after spelling it. However, no contestant will be eliminated for failing to pronounce a word.
6. The contestant may request the pronouncer to pronounce the word again, define it, or use it in a sentence. If the contestant has a specific root word in mind, the contestant may ask if the dictionary lists that word as the root of the word to be spelled. The pronouncer shall grant all such requests until the judges agree that the word has been made reasonably clear to the contestant. **THE JUDGES MAY DISQUALIFY ANY CONTESTANT WHO IGNORES A REQUEST TO START SPELLING.**
7. Having started to spell a word, a contestant may stop and start over, retracing the spelling from the beginning, but in retracing there can be NO change of letters or their sequence from those first pronounced. If letters or their sequence is changed in the respelling, the speller will be eliminated.

8. The State Fair Spelling Bee shall be conducted in rounds. Each contestant remaining in the Bee at the start of a round shall spell one word in the round and each subsequent round, except as provided in rules 9, 10, and 11.

9. Upon missing the spelling of a word, a contestant immediately drops out of the contest, except as provided in rules 10 and 11.

10. If none of the contestants remaining in the Bee at the start of a round spells a word correctly during the round, all shall remain in the competition.

11. If only one of the contestants remaining in the Bee at the start of a round spells a word correctly during that round, the contestant shall be given an opportunity to spell the next word on the list. If the contestant succeeds in correctly spelling the new word, the contestant shall be declared the champion. Otherwise, all the contestants remaining in the Bee at the start of the round shall remain in the competition. A new round will begin, with all of the contestants spelling in their original order.

12. When there are only five contestants left in the competition and one of the contestants misspells a word, the next contestant must spell the next two words correctly in order to eliminate the speller who misspelled his/her word. We continue in this fashion until we have only one person remaining.

13. Webster's Third New International Dictionary, copyright 2005 Merriam-Webster Inc., and its Addenda Section, shall serve as the final authority for the spellings of words in the State Fair Spelling Bee. If more than one spelling is listed for a word, any of these spellings will be accepted as correct if the word either matches the pronunciation and definition provided by the pronouncer, or if it is clearly identified as being a standard variant of the word that the contestant has been asked to spell. Spelling at other locations having archaic, obsolete, or regional labels (such as North, Midland, South, British, Irish) that are different from those at the main entry will NOT be accepted as correct.

14. If a word has one or more homonyms, the pronouncer will indicate which word is to be spelled. If the listed word is not properly identified, either by defining it or by distinguishing the homonyms, any correct spelling of any homonym of the word will be accepted.

15. Any questions relating to the spelling of a word should be referred to the designated official immediately in writing on a grievance form. The deadline for filing a grievance is before the contestant affected would have received his/her next word had he/she stayed in the contest. No grievance will be entertained after that word has been given to another speller. When only two spellers remain, an oral grievance must be made immediately, that is, before the second speller has started to spell the word given to him/her, or, if both have missed the same word, before the corrected spelling is given to the audience.

16. The JUDGES are in complete control of the Bee. Their decision shall be final on all questions. WINNERS in each BEE may not compete again in the age group they have won.
