BILL RILEY TALENT SEARCH

Preliminaries and Semi-Finals: August 7-16 • 12:15 p.m.

Championships: August 17 • 1:30 p.m.

Anne and Bill Riley Stage sponsored by Pepsi with media sponsor iHeart Radio

Contact: Liz Ley | lley@iowastatefair.org

Contact: Hannah Olseson | specialevents@iowastatefair.org

DESCRIPTION: Local talent advances to the State Fair to show off their talents. A panel of judges names a champion of the senior division and several Sprout Champions.

Rules and Contest Information:

1. Show is open to legal residents of the state of Iowa only. Acts must appear in a locally sponsored/Iowa State Fair sanctioned show somewhere in the state of Iowa and be the show qualifier to be eligible to compete at the Iowa State Fair. Judges' decisions are final.

2. Sprouts: Ages 2 through 12

Seniors: Ages 13 through 21

Seniors and Sprouts must qualify within the age requirement at local shows. For example, if you are 21 and don't qualify before you are 22, you are ineligible. All Sprout acts must qualify for the State Fair at the age of 12 or under.

The following applies only to the competition at the Iowa State Fair, NOT local shows:

A person's age for the Iowa State Fair competition is determined at the time they win a local show. A 12 year old who wins a local show (or 21 year old) could turn 13 (or 22) by the State Fair and still be eligible in the Sprout (or Senior) division, as they met age requirements at the time of qualification at a local show.

This applies to individuals or anyone in a group who qualifies at a local show at age 12 but turns 13 before the State Fair. If more than one performer in a group turns 13 before the State Fair, thus making the Sprout act have two or more 13 year olds, that act will automatically become a Senior act.

3. Professionals are NOT permitted to compete. This includes Union musicians and anyone whose principal source of income is from their talent. Compensation for performing at weddings, etc. does not constitute principle source of income.

4. Acts must keep the performance to three minutes. Acts timed past three minutes are subject to possible disqualification or point deduction. Five seconds over would be a starting point to begin deductions, ten seconds over or longer can be considered for disqualification. This is at the judges' discretion and should be monitored closely. At the local level this would be a great opportunity for show coordinators to let an act know that they were over the time limit. We have two different timers at the state level so we are very serious about the three minute rule. Set up time is not included. Limit set up time to one minute.

5. No more than five persons are allowed in an act. Piano accompanist is NOT included in an act and may be any age. No more than three accompanists permitted per act. Drums, amps, etc. are discouraged due to the one-minute set-up time. No combos, rock bands or similar musical groups permitted.
6. Acts will be required to meet with the show coordinator or emcee a minimum of 45 minutes to an hour prior to the show to get checked in.
7. Acts will need name, complete address, birth date, age, phone number (include area code), email and type of talent. Multiple acts need one member to act as a contact person with all information going through them. Additional members of the act need only birth date, age and town. DO NOT PROVIDE SOCIAL SECURITY NUMBERS TO LOCAL SHOW COORDINATORS.
8. Acts are asked to not dance onto or off the stage. After introductions, you may take any position you wish to begin your performance.
9. Vocalists can perform with an accompanist or CD/Ipod/USB flashdrive. Prerecorded tracks should be instrumental only. Any prerecorded track with backing vocals is not allowed, and the act will be disqualified.
10. Looping (typically seen in vocal or instrumental performances) is allowed as part of an act as long as each loop is performed live on stage. Previously recorded loops will not be allowed. Looping equipment must be provided by the contestant.
11. Foul language is not allowed in the Bill Riley Talent Search. Acts performing to or singing pieces with inappropriate lyrics will be disqualified and the show coordinator should encourage performers to compete with a different song.
12. Contestants may only appear once in any given show. This applies to qualifying shows as well as the competition at the Iowa State Fair. They may not perform "solo" and then return in the same show in a duet or trio. Contestants are allowed to perform in different acts in different shows, but they may only qualify for the State Fair Show with one act. Once a performer has qualified for the State Fair they are not allowed to perform in local shows as part of another act. They may keep competing in local shows with the qualifying performance.
13. Only one qualifier from each division (Sprout and Senior) of a local show is permitted to advance to the Iowa State Fair. NO TIES are permitted in all placing.
14. Exceptions may be made at the discretion of Iowa State Fair staff or Bill Riley Jr.

Competition at the Iowa State Fair

- Preliminary rounds: First 7 days (August 7-13)
- Semi finals: Days 8, 9 and 10 (August 14-16)
- Championship show: Day 11 (August 17)

Semi-Finalists: Semi-finalists from the 2024 Iowa State Fair Bill Riley Talent Search are automatically qualified for the 2025 State Fair competition. You do not have to re-qualify by winning at the local level show, but you are encouraged to compete at local shows. If you win at the local level show, you are entitled to the prize money, but you must inform the emcee that you have already qualified for the State Fair. The second place winner will then be able to advance to the State Fair competition.

Birthdays and Semi-Finalists: 2024 semi-finalists returning in 2025 will perform in the division for their current age as of the 2025 Iowa State Fair.

Iowa State Fair Championship Show:

Sprout Division Champions: There will be 6 Sprout Champions showcased in the Championship Show. Sprout Champions in the Sprout division must sit out one year of competition. They also must re-qualify when returning after the one-year absence, and be 12 years old or less to compete in the Sprout division.

Senior Division Championship: There will be 9 finalists in competition. All finalists in the Senior division must sit out one year - they cannot perform as an individual or in a group during the next year. They also must re-qualify when returning after the one-year absence, and be 21 years old or less. The "Grand Champion" of the Senior division is no longer allowed to compete in the Bill Riley Talent Search at the local or State Fair level.

RULES AND CONTEST INFORMATION

1. Each contestant must be female and at least 16 years of age and not more than 21 years of age on August 7, the first day of the 2025 Iowa State Fair.
2. Contestants must never have been married or have had children.
3. A County Fair Queen must reside in the county she represents or an adjoining county if the majority of her activities are in the county she represents. If a fair represents more than one county, the winning contestant must reside in one of the participating counties.
4. Each contestant must be an active member of at least one service organization in her community such as a church group, Girl Scouts, 4-H, etc. (Eligibility is not limited to 4-H membership.)
5. Each entrant in the State Fair Pageant must be selected from a competitive queen contest at her county fair. If an Iowa county fair does not have a contest, it may sanction another queen contest in their county such as the "Official County Fair Queen Contest." The winner is then eligible to compete at the Iowa State Fair. Only contests sponsored by county fairs who are members of the Association of Iowa Fairs will be eligible to compete at the state level.
6. Only winners as indicated under Rule 5 are eligible to represent counties at the state pageant. In the event the county queen is unable to participate, alternates will be considered in order of selection.
7. No professional models (one who has had ongoing employment in which modeling was the primary part of the job) are eligible to compete in the State Pageant.
8. Any contestant who has competed at a State Fair Queen Pageant Finals cannot compete again.
9. Any County Fair Queen selected after the 2024 Iowa State Fair and meeting the above qualifications is eligible for the 2025 pageant.
10. The Iowa State Fair will accept only one entry per county. Should there be more than one queen contest in the county, it will be the responsibility of the fairs concerned to hold an elimination contest. The only exception to this rule will be in those counties where more than one fair qualifies for membership with the Association of Iowa Fairs. In those cases, both fairs will be eligible to submit candidates for competition.
11. It is the responsibility of each contestant to make arrangements for transportation to and from Des Moines. Hotel accommodations will be made for county queens only.

12. The county queens will be the guests of the Iowa State Fair, Tuesday, August 5, through the time of the crowning, Saturday, August 9.
13. The Iowa State Fair will provide a sash and crown for each county fair to award to their Queen. This must be worn when she appears at the Iowa State Fair and is included in the \$400 entry fee. The entry fee after April 30 is \$450. Absolutely no entries will be accepted after June 30.
14. County fairs are requested to select their candidates by competition in which personality, leadership and beauty are judged.
15. A qualified committee will select the "Iowa State Fair Queen." Judging comments are not available to the contestants or county representatives. Judging will be based on the following: personality, attitude, appearance and awareness, leadership and citizenship, contribution to community, overall appearance, charm and poise.
16. Each contestant should be prepared to appear in a variety of dress, such as street, dress or suit, evening dress and casual wear.
17. The winner of the state competition will be crowned the "2025 Iowa State Fair Queen." The 2025 Queen will be required to remain at the Fairgrounds for the remaining time of the 2025 Fair.
18. The winner of the state competition must agree to appear for the Iowa State Fair Board in official capacities as requested throughout the year until her successor is crowned. This will include daily appearances at the 2025 Fair and a couple of days at the 2026 Fair. The Iowa State Fair will help with food and transportation expenses for these appearances.
19. If the winner cannot reign until a new queen is crowned at the 2026 Fair, she must forfeit her title and all awards associated with it to the first runner-up. She may then accept the title and awards of first runner-up.
20. The winning contestant at the Iowa State Fair must agree to accept no other queen titles nor endorse any commercial product as "Iowa State Fair Queen" for a period of 12 months following the 2025 Iowa State Fair without the written permission of the Iowa State Fair Board.
21. The winning contestant will receive all the prizes at the time of the finals with the exception of the \$300 bond and the scholarship. This bond will be presented to her after the 2026 Iowa State Fair Queen is selected.
22. The reigning 2025 "Iowa State Fair Queen" is expected to conduct herself in a manner that reflects positively on herself, her family and the Iowa State Fair. Should the reigning "Iowa State Fair Queen" become involved in any activity, including drugs, alcohol or tobacco-related offenses, that reflects negatively on herself, her family or the Iowa State Fair, she may be required to forfeit her crown, title, rights and scholarship award to the first runner-up.
23. Should the 2025 Iowa State Fair Queen marry or become ineligible for any reason before the 2026 Queen is crowned, she will forfeit her title, crown and rights to the scholarship award to the first runner-up. Should the first runner-up become ineligible, she will forfeit title, crown and rights to the scholarship to the second runner-up.
24. The Iowa State Fair Board reserves the right to change and interpret the foregoing rules and regulations at any time as may be deemed expedient.

SPELLING BEE

Friday, August 8 • 9 a.m.

Penningroth Media Center in the John and Emily Putney Family Cattle Barn

Contact: Mason Sander | 712-209-0919 | masonsander.1@gmail.com

Registration and pre-fair questions contact: Carly Cox | specialevents@iowastatefair.org

RULES AND CONTEST INFORMATION

1. Individuals competing in the State Fair Spelling Bee must qualify under the following basic requirements:

- a. They must have completed school in the grade level of competition they enter;
- b. They must NOT have reached ON OR BEFORE January 1, 2025 their ninth (9) birthday for First and Second grade competition; their eleventh (11) birthday for Third and Fourth grade competition; and thirteenth (13) birthday for Fifth and Sixth grade competition.

2. Words used in the State Fair Spelling Bee shall be selected from the Scripps National Spelling Bee Word list. (Practice lists will be mailed out in July).

3. Words shall be pronounced according to the diacritical markings Scripps National Spelling Bee Word list rules. With the approval of the judges, he/she may give a fuller explanation of the meaning of the words to supplement the dictionary definition or definitions quoted. 4. In competition, after the pronouncer gives the contestant a word, the contestant will be encouraged to pronounce the word before spelling it and after spelling it. However, no contestant will be eliminated for failing to pronounce a word.

5. The contestant may request the pronouncer to pronounce the word again, define it or use it in a sentence. If the contestant has a specific root word in mind, the contestant may ask if the dictionary lists that word as the root of the word to be spelled. The pronouncer shall grant all such requests until the judges agree that the word has been made reasonably clear to the contestant. **THE JUDGES MAY DISQUALIFY ANY CONTESTANT WHO IGNORES A REQUEST TO START SPELLING.**

6. Having started to spell a word, a contestant may stop and start over, retracing the spelling from the beginning, but in retracing there can be NO change of letters or their sequence from those first pronounced. If letters or their sequence is changed in the respelling, the speller will be eliminated.

7. The State Fair Spelling Bee shall be conducted in rounds. Each contestant remaining in the Bee at the start of a round shall spell one word in the round and each subsequent round, except as provided in rules 9, 10, and 11. Upon missing the spelling of a word, a contestant immediately drops out of the contest, except as provided in rules 10 and 11.

8. The State Fair Spelling Bee shall be conducted in rounds. Each contestant remaining in the Bee at the start of a round shall spell one word in the round and each subsequent round, except as provided in rules 9, 10, and 11.

9. If none of the contestants remaining in the Bee at the start of a round spells a word correctly during the round, all shall remain in the competition.

10. If only one of the contestants remaining in the Bee at the start of a round spells a word correctly during that round, the contestant shall be given an opportunity to spell the next word on the list. If the contestant succeeds in correctly spelling the new word, the contestant shall be declared the champion. Otherwise, all the contestants remaining in the Bee at the start of the round shall remain in the competition. A new round will begin, with all of the contestants spelling in their original order.

11. When there are only five contestants left in the competition and one of the contestants misspells a word, the next contestant must spell the next two words correctly in order to eliminate the speller who misspelled his/her word. We continue in this fashion until we have only one person remaining.

12. Scripps National Spelling Bee shall serve as the final authority for the spellings of words in the State Fair Spelling Bee. If more than one spelling is listed for a word, any of these spellings will be accepted as correct if the word either matches the pronunciation and definition provided by the pronouncer, or if it is clearly identified as being a standard variant of the word that the contestant has been asked to spell. Spelling at other locations having archaic, obsolete or regional labels (such as North, Midland, South, British, Irish) that are different from those at the main entry will NOT be accepted as correct.

13. If a word has one or more homonyms, the pronouncer will indicate which word is to be spelled. If the listed word is not properly identified, either by defining it or by distinguishing the homonyms, any correct spelling of any homonym of the word will be accepted.

14. Any questions relating to the spelling of a word should be referred to the designated official immediately in writing on a grievance form. The deadline for filing a grievance is before the contestant affected would have received his/her next word had he/she stayed in the contest. No grievance will be entertained after that word has been given to another speller. When only two spellers remain, an oral grievance must be made immediately, that is, before the second speller has started to spell the word given to him/her, or, if both have missed the same word, before the corrected spelling is given to the audience.

15. The judges are in complete control of the Bee. Their decision shall be final on all questions. Previous winners in each Bee may not compete again in the age group they have won.
