Supplemental Information

Return Reference	Explanation
Part X, Line 2:	<p>The Organization has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding provisions of the State of Illinois law. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income. There were no unrecognized tax benefits identified or recorded as liabilities during the year ended June 30, 2020.
