**Part I Summary**

**1** Briefly describe the organization's mission or most significant activities:  
West End School is an academically rigorous year-round boarding school for middle school boys. Admission is open to boys entering sixth grade who are on free or reduced lunch, are capable of doing academic work at their grade level or above, and who would benefit from a stable, structured and safe environment. Enrollment is typically between 10 and 15 students per year. The school opened its doors in 2005 because of the growing need for alternative forms of education, particularly for the young men in our community. For many of these students, the middle school years are a transitional "tipping point" both socially and academically. Boys especially are at higher risk for almost every index of failure: academic, achievement, truancy, dropout rates, school suspensions and expulsions, delinquency, and incarceration. When rigorous academic standards are in place it is remarkable the progress students make (Many of our boys have gone on to receive scholarships to prestigious secondary school)

### **Form 990, Part III, Line 4a:**

West End School is an academically rigorous year-round boarding school for middle school boys. Admission is open to boys entering sixth grade who are on free or reduced lunch, are capable of doing academic work at their grade level or above, and who would benefit from a stable, structured and safe environment. Enrollment is typically between 10 and 15 students per year. The school opened its doors in 2005 because of the growing need for alternative forms of education, particularly for the young men in our community. For many of these students, the middle school years are a transitional "tipping point" both socially and academically. Boys especially are at higher risk for almost every index of failure: academic, achievement, truancy, dropout rates, school suspensions and expulsions, delinquency, and incarceration. When rigorous academic standards are in place it is remarkable the progress students make (Many of our boys have gone on to receive scholarships to prestigious secondary schools throughout Kentucky). There is no charge for room, board or tuition and all expenses are paid through donations from individuals, foundations, and corporations.

Part X : FIN48 Footnote	No provision has been made for income taxes in the accompanying financial statements since the School is a tax exempt not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code. Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of FASB ASC 740-10 would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statement of activities or accrued in the statement of financial position. Federal tax returns of the School are generally open to examination by the IRS for a period of three years from the date the returns are filed.
