KidsPeace exists to give kids peace.</p> <p><b>PROGRAM SERVICES &amp; ACCOMPLISHMENTS</b> KidsPeace Residential Programs In 2015, some 11,815 children suffering from abuse, neglect and emotional trauma found comfort and healing through a network of KidsPeace programs and services. Accredited by the Joint Commission on Accreditation of Healthcare Organizations, the top accrediting body in America, the campuses provide a warm and comfortable home away from home, food, clothes, therapy, life skills, therapeutic recreation, and education to restore childhood to children. Staffed by doctors, nurses, social workers, psychologists, nutritionists, therapists, and caring counselors, the programs help children heal while building confidence and competence to make healthy choices for brighter futures. These campuses, some as large as 200 acres, strive to give the best to kids who have been through the worst, with world-class facilities including homes, athletic fields, swimming pools, and state-of-the-art learning facilities. The KidsPeace residential programs help kids from across the country (and even from across the globe), and in 2015 were located in four states: Pennsylvania, Maine, Minnesota, and Georgia.</p> <p><b>Quality Outcomes</b> KidsPeace programs and services are research-based and annual outcomes studies are conducted to ensure our programs are of the highest caliber. In 2015, KidsPeace kids were asked to rate how well KidsPeace embodies the principles of our Model of Care. Children responded positively about their Sense of dignity 90% Feeling of safety 87% Sense of belonging 83% Feelings of empowerment 89% Development of character 84% Transformation and growth 95% KidsPeace Psychiatric Hospital This national resource, located in Pennsylvania, minutes by air from New York, Washington, D C and Philadelphia, helped more than 2,300 kids in 2015. The hospital is a private, not-for-profit facility caring for children in serious emotional distress. It specializes in caring for children, pre adolescents, adolescents and young adults through custom-designed programs to meet each patient's specific needs, from severe trauma and depression to emotional challenges prompted by autism or lower intellectual functioning. Patients in the Hospital benefit from an on-site school system, which ensures children's academic progress while they work to overcome crises.</p> <p><b>KidsPeace Foster Care &amp; Adoption Programs</b> More than 1,031 children found help in 2015 through KidsPeaces 26 foster care and adoption centers. Our foster-care program is specifically designed for children who have endured or face crises in their birth homes. Unlike traditional foster care, our programs recruit, intensively train and support foster families to respond to the special needs of our children. Foster families receive 24-hour, seven-day-a-week assistance from on-call professionals and KidsPeace foster families usually care for no more than two children in a home - fewer than is common in most foster homes - to better focus on the individual needs of each child. KidsPeace Foster Care and Family Services sites provided adoption services to many children in 2015, helping find permanent homes for many wonderful children who were labeled "unadoptable" by other providers. We owe our success to the unique components of our program, including reaching out to families and writing high quality family profiles (commonly known as home studies), which expand the pool of adoptive families for kids in the foster care system as a whole. Through the Child Specific Recruitment service, KidsPeace finds adoptive families for the most challenging kids, including older children with significant special needs. KidsPeace is also a leader in the new service of child preparation, which consists of ten sessions designed to emotionally prepare children to become a permanent part of a new family. KidsPeace also provides adoptive families with ongoing support for months after an adoption is finalized, through case assessment, case management, and respite care.</p> <p><b>Educational Services</b> Children in emotional crisis, whether caused by trauma, problems in the family, or a personal issue, find it difficult to concentrate on learning. KidsPeace operates seven licensed schools in four states to help keep youngsters on track in the single most important social and developmental area in their lives. The KidsPeace school system provides a complete education for children in our residential and hospital programs, from 1st through 12th grade. It guarantees all credits they would earn in a public or private school. Our school system professionals work closely with residential staff, parents, referral sources, and the child to ensure the most effective education and treatment possible. Our students are very successful at KidsPeace schools, gaining a full year of academic growth during a stay shorter than an academic year. KidsPeace sets them on a course to achieve scholastically and pursue higher levels of education. They not only catch up, they excel. During 2015, we noted an increased number of youth continuing their education. Children enrolled in school or completed their GEDs.</p> <p><b>Community Programs</b> Wherever possible, KidsPeace seeks to keep children close to home and the people who love them. In 2015, KidsPeace community-based programs offered a wide range of services to 5,517 children and their families, including outpatient, family-based, and in-home therapies as well as partial-hospitalization programs to rebuild lives weakened by crises. The goal is to keep children and families healthy and safe in their homes, schools and communities. House calls. KidsPeace professionals bring services to children and families in their own homes in an effort to help them learn, grow and stay together. Services include therapy, life- and parenting-skills training, problem solving, education and self-esteem building in and out of school. At times, KidsPeace consultants are provided to assist public school staff. Each day after school, KidsPeace vans pick up children and bring them to our community programs for therapy, adult supervision, therapeutic recreation, educational support and even a nutritious meal. Children are then returned safely home. Parents are encouraged to participate in the programming.</p> <p><b>Community Links</b> KidsPeace partners with many community organizations like youth and family centers and government agencies to provide parenting and life-skills training and family education. We also help link families to community resources such as food banks and libraries.</p> <p><b>Prevention &amp; Public Education</b> In addition to the direct help KidsPeace provides to thousands of youngsters each day, the nonprofit has invested considerable energy into helping the world's children AVOID and OVERCOME the common crises of growing up.
