## Part I Summary

**1** Briefly describe the organization's mission or most significant activities  
Having lacked access to healthcare and medical services, clinic clients are presenting increasingly with comorbidity of complicated, serious health issues. Some require immediate, urgent action. Most require comprehensive assessment and issue diagnoses (enhanced Early Detection, Aversion & Prevention assessment tools, point-of-care tests and diagnostics), integrated clinic and collaborative treatments (physicians and nurses) and ongoing clinic supervision and coordination of care (Medical Assistants). Orchestrating treatment compliance for multiple issues from multiple service providers is enhanced by clinic location within the shelter where clients live and is key to success (resolving, controlling, managing, averting, preventing, living with the issues(s) being addressed) and the ultimate success (unencumbered by health issues, clients can get jobs, become self-sufficient and live a better quality of life)

**Part III Statement of Program Service Accomplishments**

Check if Schedule O contains a response or note to any line in this Part III

**1** Briefly describe the organization's mission

To remove health issues as barriers to self-sufficiency and upward mobility for homeless women, and as impediments to development and readiness to learn for homeless children, by providing free healthcare that is easily accessible. For adults, health issues can cause and will prolong homelessness, interrupting job searches and interviews and jeopardizing employment due to health-related absenteeism. For children, health issues can negatively impact development (physical, psychological, emotional, social, behavioral), preparation to enter school and performance in school. Ease of access is fostered by clinic location within the shelter where patients live, convenient hours of Monday through Friday, 9:30 to 6:00, all services are free (nursing and provider care, health assessment tests, screens and diagnostic labs, prescription/OTC medications, treatments, health information), prompt walk-in care on the first and subsequent visits, unlimited free visits and services simply by showing their ID.

All Board members and key employees are made aware of the policy when recruited, with any existing conflicts resolved before processing further with Board review and approval. When approved as a Board member or key employee, they are reminded of the policy and requested to report any and all possible conflicts that may arise. If a conflict cannot be resolved, they are asked to withdraw their application as a Board member or employee, or resign. All possible conflict situations are reviewed by the Executive Committee and a Board member who is a lawyer, with recommendations made. The Executive Director is responsible for implementing the recommendation. Reminders of the policy are relayed periodically to Board members via email mentioned at Board meetings, and directly to Board Members by the Executive Director.
