Form 990, Part III, Line 1 - Organization Mission

We are an exempt organization which provides necessary services at no cost to the communities and counties with which we are associated. By being exempt, we are able to provide better services to the foster children who are in our care and in our communities.

Form 990, Part III, Line 4a - Program Service Accomplishments

This past year, we have continued to expand our program goal and mission to provide a permanent place for abused and neglected foster youth to reside and recover in a loving and nurturing environment. In 2016, our primary residence housed five therapeutic placements in their home. Our secondary foster home housed and cared for one teenage girl and her 12 year old brother in 2016 as well as provided respite care for numerous other children short term. Our third foster home housed two teenage girls as well as provided respite care. We have continued to see remarkable progress in the lives of these youth and children as we continue to mentor them in developing life skills. Our equine assisted psychotherapy program, Healing Reins, assists families in the foster system as well as the community to promote emotional healing and recovery from traumatic experiences. We also offer specialized services to our veterans who may be experiencing difficulties reintroducing themselves into society as a result of trauma they may have experienced while serving our country.

In addition to Healing Reins, we have continued to grow our cattle operation. This helps supplement the ranch's expenses as well as provides our youth with organic beef which promotes a healthier lifestyle. We have continued to make improvements on our property which have assisted us in providing much needed support to trauma survivors in our community.

Form 990, Part III, Line 4a - Program Service Accomplishments

In this upcoming year, we hope to expand upon our already thriving aftercare program. After one of our youth ages out of the system or becomes old enough to transition to living on their own, we continue to be a resource in the form of a family and community to them as they learn what it takes to become independent. We help them out with expenses and supplies, as well as mentor them on social tasks such as filling our job applications, FAFSA forms, college applications, getting their drivers license, obtaining a car, etc. As an expansion, we hope to secure funds to build transitional living cottages on our newly acquired property which will enable 2 youth per cottage to live on their own while not being so far from the love and support they have grown to love and rely on in the years coming up to their transition. We have had great responses from the community already in recognizing the need for this and asking in what ways they can partner and help with this endeavor.

In regards to our overall community 'reach', we have been able to connect with multiple community partners and further our fund raising efforts. In addition, our VP is a Master Foster Parent as well as a Contracted Trainer which allows her to train and mentor new foster families and assist in their licensing process. The VP also continues to serve as a representative on the local SW MO Foster/Adoptive Parent Advisory Board as well as serves as a representative on the State Level Advisory Board.
