This program seeks to assess and address immediate needs related to homelessness utilizing person-centered planning and a recovery oriented approach. This is begun by assessing and identifying three barrier levels, from low barrier to medium barrier, to chronic homelessness. Case Management and Peer staff intervene with appropriate levels and types of resources available through Haven partnerships to rapidly rehouse and engage community support.Permanent Supportive Housing - Provides a continuum of care by offering ongoing community case management and education targeting members with applied learning opportunities around independent life skills, such as budgeting and home hygiene, and connection to community resources, such as faith homes, community centers, and support groups. The PSH program also supports members with rental, move-out, and people experiencing homelessness prevention support, understanding that supporting a person toward sustained housing and engaging in treatment within the home is significantly more effective and cost efficient than allowing additional traumatic people experiencing homelessness episodes.Prospects Courtyard - Prospects Courtyard PCY was developed as a people experiencing homelessness shelter to save the lives of the chronically people experiencing homelessness.
