Form 990, Part III, Line 4a:

The Community Fund and Designations - Through United Way of York County's annual campaign, donors can designate their contribution to The Community Fund. During the past year, funding was provided to 69 programs of 36 partner agencies through The Community Fund in the areas of Education, Health and Financial Stability. United Way of York County receives program applications from partner agencies which are reviewed and assessed by trained community volunteers to ensure they demonstrate measurable results. Funding levels are recommended by the volunteers and approved by United Way of York County's Board of Directors. United Way of York County also allocates funds for special one-time projects and new programs of partner agencies. Applications for these programs are also reviewed by volunteers and with United Way of York County's Board of Directors who approve the actual funding levels. As part of United Way of York County's annual fundraising campaign, donors are also able to designate their contribution to qualified organizations exempt under section 501(c)(3). This service is provided as a convenience to our donors. Organizations receiving designations are not required to submit information relative to the use and results of these contributions.

Form 990, Part III, Line 4b:

Education Programs - FOCUS, a Success by 6 initiative, is a program of United Way of York County which promotes high quality early childhood education for children throughout York County. FOCUS provides training, on-site technical assistance and financial support to child care centers and home based providers to assist with national accreditation and advancement in the Keystone STARS program which is Pennsylvania's program to promote continuous quality improvement in early childhood education. Keystone STARS performance standards are grouped into four levels and address staff qualifications and professional development, the early learning program, partnerships with family and community, and leadership and management. During this past year, more than 125 providers in York County are participating in the Keystone STARS program. In York County, there are 10 programs who have received national accreditation either by the National Association for the Education of Young Children (NAEYC) or the National Association of Family Child Care (NAFCC) and 36 programs ranked as Keystone STAR 4. To receive funding through United Way of York County's Community Fund, a partner agency must have national accreditation or STAR 4 status. FOCUS also promotes school readiness. Through grants received from the Rehmeyer Trust, York County Community Foundation, Women's Giving Circle and the Donley Foundation, FOCUS provided the "Ready Freddy" kindergarten readiness program to 1,700 children and families from ten York County school districts. In addition, infant/toddler, preschool and kindergarten readiness materials were distributed to over 4,700 families through collaboration with York County partners. During this past year, Reading Ready corners at nine community sites distributed 7,302 books. These corners provide reading opportunities for families to interact and read while waiting for services. Children are also able to take home one of the books. United Way of York County also operates the York County Truancy Prevention Initiative which is a strategic effort to consistently respond to truancy among multiple partners, agencies and school districts in York County. It serves all school-aged youth in York County by establishing itself as a clearinghouse for what works to prevent truancy and dropout, staying current on national education policy research, and finding ways to enhance York County's provision of truancy prevention programs using best practices research. The first program started by the Truancy Prevention Initiative, Check & Connect is in its 8th year of operation and is provided to students and families in four York County school buildings. School districts identify truant students who then are monitored by a school-based staff person who helps determine why the student is truant and what supports and strategies will reduce unlawful absences. The program is currently funded by the Office of Children, Youth and Families. In 2011, Youth Court Alliance (YCA), a youth-run truancy intervention program, was created by the Truancy Prevention Initiative. YCA has now expanded into three schools in the York City School District and to Northeastern High School and Red Lion Middle School. YCA works to re-engage truant students in school and develop a personalized plan so the student can avoid getting fined in District Court. Dispositions include jury duty, community service, research, and tutoring. In the 2017-2018 school year, 175 students and their families participated in Youth Court. The student volunteers that run the hearings logged 1,800 community service hours.

Form 990, Part III, Line 4c:

United Way of York County operates the Volunteer Center to provide nonprofit organizations with volunteer recruitment and management tools, and to manage event registration for the Day of Action. Using Get Connected, an online event management and volunteer information and referral database, United Way and Volunteer Center members can effectively recruit and manage volunteers. Members can also manage and communicate with their volunteers by e-mail. During 2017/2018, over 1,000 people served as volunteers on the United Way Board of Directors, committees, campaign cabinet, allocations panels and agency review teams and for community initiatives such as FOCUS and the Truancy Prevention Initiative. In addition, more than 2,000 community volunteers were connected to opportunities with more than 90 nonprofit organizations. An additional 900 volunteers participated in the annual Day of Action and volunteered over 1,800 hours of service for Volunteer Center members. Projects included garden maintenance, reading to children, building improvements and many other worthwhile activities.
