Part X, Line 2	PCA regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements, with regard to issues affecting its tax status, unrelated business income and related matters. Management believes that in the event of an examination by taxing authorities, its positions would prevail based on the technical merits of such positions. Therefore, PCA has concluded that no tax benefits or liabilities are required to be recognized. Should the tax-exempt status be challenged in the future, PCA's three most recent tax years are open for examination by the IRS.
