Part X, Line 2	The Organization accounts for its tax positions in accordance with the income tax topic of FASB Accounting Standards Codification Section 740. Those standards require management to perform an evaluation of all income tax positions taken or expected to be taken in the course of preparing the Organization's tax returns to determine whether the income tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. This evaluation is required to be performed for all open tax years, as defined by the various statutes of limitations, for federal and state purposes. The Organization has no uncertain tax positions requiring disclosure.
