Pt X, Line 2	<p>The Organization accounts for uncertain tax positions, if any, in accordance with FASB Accounting Standards Codification 740. In accordance with these professional standards, the Organization recognizes tax positions only to the extent that Management believes it is "more likely than not" that its tax positions will be sustained upon IRS examination. Management believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for the year ended December 31, 2016. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate adjustments that would result in a material adverse effect on the Organization's financial condition, change in net assets or cash flows. Accordingly, the Organization has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at December 31, 2016. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for fiscal years ending prior to December 31, 2013.</p>
