The purpose of the grant and its contracted budget dictates the nature of disbursements from the grant funds. When there are government funds involved, JHBCC will follow Uniform Grant Guidance cost principles. Expenses charged to a funding source must be approved and account coded by the responsible program director and are reviewed by the CEO or COO before payment is made. The finance and accounting staff maintain the records that identify adequately the source and application of funds for all activities. Financials and funding source reports are analyzed on a monthly basis for conformity with the individual program budgets.
