Schedule D, Part X, Line 2	<p>The Organization is a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code. The Organization follows the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance the Organization may recognize the tax benefits from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to potential sources of unrelated business taxable income. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting period presented in the financial statements. As of and for the year ended June 30, 2018, management has determined that there are no uncertain tax positions. The Organization files Form 990 in the U.S. federal jurisdiction and the State of Illinois.</p>
