Form 990, Part III, Line 4a:

The Employment Training Center (ETC) provides pathways out of poverty to lasting economic independence for San Francisco's low-income youth and young adults with histories of incarceration, homelessness, substance abuse, and other major barriers to employment. For over 35 years, Asian Neighborhood Designs (AND) Employment Training Center (ETC) has successfully trained at-risk, low-income youth and young adults in the green construction field to gain vital life and employment skills and achieve self-sufficiency. Each year, up to 60 graduates gain comprehensive skills in construction and carpentry, and receive basic education on topics such as history and mathematics, as well as high school equivalency or GED preparation. Our program also works to diversify the field of construction by including women and serves 90% people of color.

Form 990, Part III, Line 4b:

ANDs Community Planning program, which provides underserved communities with the tools and support needed to become effective players in the shaping of equitable, safe and vibrant neighborhoods throughout San Francisco. We believe that local residents, workers, stakeholders, and community-based organizations are most engaged in their own communities and know their needs better than anyone. Our planning work with communities results in physical improvements to the public realm, new community economic development, increased local capacity, and new working relationships between local stakeholders and City government. The program also advocates for community-oriented citywide planning, affordable housing, economic development, and public benefits standards for San Francisco.

Return Reference	Explanation
Part X FIN48 Footnote	<p>Income Taxes Financial statement presentation follows the recommendations of ASC 740, Income Taxes. Under ASC 740, A N D is required to report information regarding its exposure to various tax positions taken by A N D and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold. Management believes that A N D has adequately evaluated its current tax positions and has concluded that as of December 31, 2017, A N D does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary. A N D has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. The exemptions are subject to periodic review by the federal and state taxing authorities and management is confident that A N D continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. A N D may periodically receive unrelated business income (such as sublease rental income) requiring A N D to file separate tax returns under federal and state statutes. Under such conditions, A N D calculates and accrues the applicable taxes.</p>

Net Assets	<p>Unrestricted Net Assets (Deficit)Unrestricted net assets (deficit) of (xxxxxxx) and(\$1,307 ,438) at December 31, 2017 and 2016, respectively, reflect the cumulative retained surplus es (deficits) since the organizations inception, offset by noncash allocated losses from A N D ownership interests in certain investments which are accounted for under the equity method of accounting Accordingly, the underlying assets, liabilities, and equity position s (partners capital) of these partnership investments are not consolidated in these financ ial statements Operating IncomeAs noted on the Statements of Activities and Changes in Net Assets, A N D reflected net surpluses from its operating activities totaling \$xxxxxx and \$24,450 for the years ended December 31, 2017 and 2016, respectively These amounts are r eported as increases in net assets before unrealized losses on the Statements of Activitie s and Changes in Net Assets and represent the operational results of the organization Defi cit of Investments in Partnership InterestsA N D is a limited partner in three outside pa rtnerships over which it does not have significant management or operational control Minn a Park Housing Partners, Connecticut Street Court Partners, and 555 Ellis Street Housing Accordingly, the equity method of accounting is utilized These affiliates are low-income h ousing partnerships As is typical with these organizations, they operate with negative ne t income for many years due to the tax-related policies and subsidies If reflected as an asset, the Deficit of Investments in Partnership Interests would be shown as a negative in vestment in the noncurrent section on the combined statements of financial position The o rganization has opted not to show its net investment position as a negative asset Instead, the negative asset is shown as a positive component of A N D s net assets Previously, th is item was reflected as a long-term liability, but management felt that such reporting in accurately represented the organizations liabilities The negative position in the partners hip interests is based on book value allocations of unrealized net losses from the partner ships In reality, the fair value of A N D s ownership interests would be positive, essent ially eliminating entirely the negative value of the combined investment position The fai r value of A N D equity position in these limited partnerships is not readily available Such an endeavor would require assessments of the market values of the underlying real est ate properties by qualified appraisers at substantial cost to the ownership parties Becaus e the properties are located in San Francisco, the underlying real estate properties owned by the three partnerships are most likely far in excess of the net book value of the real estate as reflected in the books of the partnerships Management believes its equity posi tions in the fair values of these assets, if such measurement were possible, would result in a positive (not negative) e</p>
