Return Reference	Explanation
PART VI - LINE 11A	The form 990 is distributed to the audit committee for review and approval prior to filing
PART VI - LINE 12C	Statements concerning conflict of interest and organization policies are distributed, reviewed and signed by organization's members annually. In addition to the annual statement, at the board level, by-laws are in place that would excuse any member of the board from participating in a discussion or vote regarding any subject or transaction that was not at arm's length. At the internal leadership team level, all directors and above are required to report any activities that might involve a board member or be a potential conflict of interest. This information is then taken to the board for review. The board would then determine if there was a violation and what action would be taken, up to and including dismissal from the board.
PART VI - LINE 15A & B	The executive committee reviews compensation surveys from the national Goodwill Industries International organization. In addition, a compensation survey from a nationally recognized company is commissioned. The compensation packages for top management & key employees are percentile ranked against this data. For the CEO, a written performance evaluation, including compensation, is prepared, deliberated, compared to industry data and approved annually by the Board of Director's Compensation Committee. The Board of Director's Compensation Committee
