Form 990, Part III, Line 4a:

EARLY LEARNING & SCHOOL-AGE ENRICHMENT Our YMCA believes that all kids have potential. We cultivate the values and skills that lead to positive behaviors, better health and educational achievement. Woven into the fabric of the YMCA mission is a commitment to strengthening families. YMCA child care programs relieve the burden of balancing work and families, and make it more possible for parents of children in our care to remain gainfully employed, knowing their children are thriving in a safe, developmentally sound environment that offers a range of experiences that enrich social-emotional, cognitive and physical growth. Expenses include subsidies and reduced fees that make participation possible to more than 50% of the children we engage. Our YMCA provides reduced fees for child care services. In 2018, \$158,500 was awarded to 200 children to defray their fees this year, and continue to accept children through the state subsidy program. In addition, we provide aid to families who need help due to family violence, substance abuse, poverty, mental health, etc. We also provide free family fun events to promote healthy family interactions and enrich relationships between parents and children enrolled in our program. Our high quality licensed child care promotes educational, emotional, physical, and social growth for infants, toddlers, preschoolers and school-age children from diverse backgrounds. We participate in the Keystone STARS Quality Initiative at all 16 licensed child care locations. In addition, we provide healthy snacks and meals to all children and have adopted, along with Y-USA, HEPA (healthy eating and physical activity) standards at all locations. In 2018, the Y served more than 414,000 healthy meals and snacks which introduced new foods and influenced food choice and education. The YMCA continues to be a leader in early care and education. In 2018, Pennsylvania tax credit donations provided preschool education credits of \$26,000 to 14 children. Last year, over 2,700 participants were served in licensed child care.

SUMMER CAMP When school lets out for summer, kids who don't continue to read, learn and keep their minds and bodies active can fall behind their classmates that do. Some parents just don't have the knowledge/resources to keep their kids engaged and productive all summer long. Many families can't afford to enroll their children in a structured summer program. As a solution, the Y offers day camps that go far beyond the typical camp experience. Our camp programs are packed with physical and educational activities, day trips, character building, arts/crafts, group games and more. Campers learn the importance of values and are encouraged to exhibit them in their actions. The Y offers scholarships so that all children have the opportunity to enjoy this enriching experience. The YMCA of Greater Erie provides free meals to kids in partnership with community sites throughout Erie County. Meals are offered in low-income neighborhoods, including those identified as food deserts. Kids participate in enrichment activities and connect with caring adults. Meals adhere to nutrition standards outlined in Y-USA's Healthy Eating & Physical Activity Standards. A 72-passenger renovated school bus serves as a mobile meals site taking freshly prepared meals directly into identified food deserts. Power Scholars Academy, an evidence based summer learning loss prevention program, engaged more than 149 academically at-risk children in a full-day academic and enrichment program. In 2018, students gained 1.5 months of literacy and a month of math knowledge. This program is supported through corporate and individual contributions and is offered free of charge to students. The program is part of the United Way's Community Schools Out-of-School time.
