Name: Childrens Aid Society Foundation

Form 990 (2019)

Form 990, Part III, Line 4a:

The Foundations primary role is to build a significant and sophisticated development program to provide resources for children and childrens services. The Childrens Aid Society Foundation is active in advocacy activities for children and childrens services. More specifically, the Childrens Aid Society Foundation supports and enhances organizations which serve children in need and their families. Through the caring support and generosity of many over the years, the Childrens Aid Society Foundation has been able to fund multiple organizations that provide many valuable services and experiences for children. Artist in residency, baseball games, summer camping, special therapeutic services, reading enhancement programs, and college scholarships are just a few examples of the opportunities the Childrens Aid Society Foundation has helped provide. Our plan is to continue this support, as well as grow our support, to meet the increasing challenges and complex issues facing children and families today and into the future. The Children's Home facility, which is owned and maintained by the Foundation, provides space for a non-profit organization serving children and families to provide programming. The facility is also shared with other non-profit groups for meeting space and special events. Several of these groups include the Camp Cadet Board, Boy Scouts, American Cancer Society, and the Somerset Welfare League. The Foundations office space is donated by a local business. The administrative assistants time is also donated by a local business. These donations allow the Foundation to devote more of its resources toward its purpose helping children and families in need. The Foundation supports various services through its efforts of fund development, fundraising, grant making, and advocacy activities. The Foundations efforts are ongoing and involve the development of our endowment and regular giving. These resources meet both current funding needs as well as build the organizations endowment for future funding needs of organizations that align with the purpose of the Foundation. The Foundations Trustees give careful and thoughtful consideration to organizations that serve children, youth and families for funding consideration. The Foundation supports quality organizations which provide caring services for children and produce positive results. One supported organization received 100% compliance during its four (4) state licensing reviews this past year.
