The Policy applies to CHI Board of Stewardship Trustees and members of its committees, all CHI Entity board and board committee members, all CHI employees, and all CHI research personnel (both employed and non-employed). Disclosure, review and management of perceived, potential or actual conflicts of interest are accomplished through a defined COI disclosure process. Each Person must promptly and fully disclose to his/her direct manager, supervisor, medical staff office, board or board committee chair any situation or circumstance that may create a conflict of interest. The Person must disclose the actual or potential conflict as soon as she/he becomes aware of it. In any situation where the Person may be in doubt, a full disclosure should be made to permit an impartial and objective determination. In addition to the general ongoing obligation, there are initial disclosure obligations. At the time of initial appointment, a copy of the Policy shall be distributed to the board or committee member along with a conflict of interest disclosure. The board or committee member will complete and submit the disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. At the time of hiring, a copy of the Policy shall be distributed to all Employees. In addition, a conflict of interest disclosure will be provided. The Employee must complete and submit a conflict of interest disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. In addition to the general ongoing and initial disclosure obligations, there is an annual disclosure obligation. On an annual basis, the following Persons must complete a new conflict of interest disclosure: * Board and board committee members, * Employees at the level of vice president and above, * Researchers * Supply Chain Employees at the level of vice president and above and those employees involved in contracting regardless of employment level, * Other Employees as deemed applicable by CHI Leadership * Employees at the level of manager and above (through 6/21/17). Disclosures of perceived, potential or actual conflicts involving financial interests are forwarded to the Conflicts of Interest Review Committee ("C-CIRC"), National or Regional Legal Services, National, Entity, or Research Corporate Responsibility Program, or the Executive Committee of the Board or Board Chair, for review depending on the position of the person involved. Among the factors that should be considered in determining whether a conflict exists are the nature and magnitude of the opportunity, transaction or arrangement, the degree to which it is related to CHI's business, whether the Person with the conflict</p>

Form 990, Part VI, Line 12c Conflict of interest policy	<p>is the ultimate decision-maker or holds significant influence over the ultimate decision- maker (i.e., degree of independence of the decision-making process), the unique nature of the opportunity, transaction or arrangement, the existence of other viable alternatives and the quality of those alternatives, and what is customary and reasonable in the health care or research industry. When a Person has, or is considering initiating, a business interest or relationship outside of CHI but is uncertain whether the interest constitutes a conflict of interest requiring disclosure under this Policy, the Person should consult with Local Corporate Responsibility Program (CRP) staff or CHI Legal Services Group (LSG) staff, as appropriate. As appropriate, a COI management plan will be developed. With respect to those audiences for which the C-CIRC has review responsibility, the C-CIRC will facilitate development of any such COI management plan in collaboration with local CRP staff or CHI LSG staff, as appropriate. This plan will include documentation of the C-CIRC's determinations and recommendations. As necessary, reports to an appropriate governmental agency or sponsor will be made according to the relevant appendices to this Policy to provide required information regarding how the conflict of interest will be managed, reduced, or eliminated. Designated CHI Entity staff are responsible for monitoring the COI management plan and for documenting monitoring activities. At its sole discretion, a CHI Entity may reject a Person's request to enter into the relationship in question, or require the relationship be sufficiently altered to avoid a potential conflict of interest. The C-CIRC will determine whether a disclosed or otherwise identified interest is a conflict of interest. If the C-CIRC determines that a potential or actual conflict of interest exists that does not currently have appropriate controls to address the conflict of interest, it may recommend that the disclosing Person be allowed to participate in the activity or transaction subject to restrictions as outlined in a written COI management plan. All determinations of conflicts of interest will be reported as required by law, regulations, and CHI policy. If a Person, other than a board or board committee member or corporate officer, required to complete a COI disclosure does not agree with a determination made by the C-CIRC, its interpretation of the COI Policy, still seeks an exemption or exception, or seeks further clarification of the C-CIRC's decision, the following steps should be followed. Within a reasonable period of time after receiving notice of the C-CIRC's decision, the Person must present the matter to the Person's immediate direct manager or supervisor (or in the case of a Researcher, to [fill in the title or position to whom Researchers report]) and request reconsideration, submitting at that time any new or additional information that may support or recommend reconsideration. If the P</p>

The C-CIRC will be reconvened for this purpose and, following such reconsideration, issue a final determination. This appeals process is intended to be narrowly applied, as Persons seeking conflict of interest exemptions or exceptions are expected to offer all available information supporting an exemption or exception at the time the matter is first presented to the C-CIRC. Management of actual or potential conflicts of interest of board or board committee members and corporate officers will be determined by the appropriate board, as reflected in the Policy. Reviews and determinations involving board and board committee members and corporate officers will be the responsibility of the board, board executive committee, or board chair, with guidance from the Legal Services Group (LSG). Each Trustee and Corporate Officer must promptly and fully report to the Board Chair situations that may create a conflict of interest when he or she becomes aware of such situations. In any situation when a Trustee or Corporate Officer is in doubt, full disclosure should be made to permit an impartial and objective determination. A written record of the disclosure will be made. In addition to the ongoing disclosure obligation, all Trustees and Corporate Officers shall complete a COI disclosure questionnaire on an annual basis. A copy of the COI Policy shall be available to Trustees and Corporate Officers. Definitions of terms used in the disclosure questionnaire/form shall also be included. Each Trustee and Corporate Officer must promptly complete the COI disclosure. The disclosures will be reviewed by the CHI Senior Vice President, Legal Services, and General Counsel or his or her designee who will report potential conflicts to the applicable Board Chair.</p>
