Part III, Line 2	<p>Gateway Center provided staffing to two hotels in response to the COVID-19 pandemic. These hotels provided housing for individuals experiencing homelessness in order to accommodate social distancing in a non-congregant setting. PART III, LINE 4D UPWARD, A residential addiction recovery program, currently operates 10 beds and allows men who commit to drug treatment to come straight off the streets and prepare for admission into an outpatient treatment program. CLEAR PATH, A stabilization program currently operates 24 beds, for men who need stabilization and short-term housing. Maximum stay length is 90-days. Clients are referred to appropriate community programs and resources following the initial intake and assessment. In addition, assigned Gateway staff daily review resources, finding adequate housing for clients. Each of the 20 men in this program are assigned to a case manager. New Beginnings, which currently operates 20 beds, is a program started by Gateway to provide immediate housing and case management for men experiencing homelessness. Often, homeless services require a specific category issue, i.e., veteran, behavioral health, physical health, addiction, job loss, abuse, etc. The New Beginnings program is often the gateway to more specific services for the client; offering a stay of up to 90-days. The New Beginnings program is uniquely general in its design and implementation. An Individual service plan, with a focus on accountability, strives to help the client secure a sustainable income, and permanent, stable housing. PATH, PATH teams build relationships with people living on the streets, allowing them to provide resources and guidance. PATH teams work specifically with individuals experiencing homelessness who have severe and persistent mental health issues. Gateway works with PATH teams from partner agencies, including Mercy Care, Community Friendship, and HOPE Atlanta. PATH is an acronym for "Projects for Assistance in Transition from Homelessness." Veteran Administration Contract Bed (VACB) program currently operates 10 short-term beds, with a maximum 60-day stay. The program is housed on the 4th floor of Gateway Center and supported in collaboration with the U.S. Department of Veteran Affairs. Participants in this program have the majority of the requirements needed to sustain independent living, such as income, medical benefits, etc. and are usually waiting for finalization in a specific area before transitioning to permanent housing.</p>
