Material Activity Notes:

The board has transferred management of escrowed funds for insurance and property taxes to a loan servicing organization. The goal of the contract with the servicing organization is to shift compliance and liability to a professional organization relieving our volunteer organization of the time consuming duties and ensuring accurate collection and management of both the escrow funds and the principal

The board sold it's office building to Client First Insurance Solutions and used the proceeds to complete two houses under construction

The board also purchased a smaller construction warehouse/office building creating a long-term mortgage liability of \$36,853 as of the end of the fiscal year. This reduction of overhead will allow us to stretch our donor dollars
