Return Reference	Explanation
Part X, Line 2	IDF has been determined to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC). Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by IDF and recognize a tax liability if IDF has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by IDF and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the consolidated financial statements. IDF is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes IDF is no longer subject to income tax examinations for years prior to December 31, 2013.
