Part I Summary

1 Briefly describe the organization's mission or most significant activities:
Battle Ground HealthCare (BGHC) provides access to free health care services by enlarge an almost all volunteer base. In 2018 there were 173 active volunteers who donated 8,070 hours of a value of \$355,811. The average cost per patient visit was \$71.44 for the year. BGHC has no federal funding support. The organization seeks funding through individual donations, fundraisers, grants, and health system collaborative partnerships in order to provide comprehensive, quality care. Our volunteer base of providers, nurses, as well as other professionals and individuals who have the gift of caring and compassion to serve others and give back to the community help to make our services possible. BGHC has advanced the care and treatment of diabetes by offering self-management classes and cooking classes for diabetes in both English and Spanish languages. Our Chronic Pain Program is unique and the only one of its kind in the local area. It has proven positive results that are based on clinical and

Form 990 (2018)

Form 990, Part III, Line 4a:

Battle Ground Health care is a clinic providing free medical and dental care in Battle Ground, WA. Nearly all of the services are provided by 173 active volunteers, who worked a total of 8,070 hours during 2018. The volunteer hours represent a wide range of medical professionals and support staff and are valued at \$355,811. Visit www.battlegroundhealthcare.org for more information. In November 2016 we started offering rehabilitation services: occupational, physical, speech therapy, medical massage, and chiropractic services. The demand (need) for these services is very high as these speciality services are not accessible or affordable in most cases for the population that we serve. The average cost of a patient visit (which includes all of the services) is \$71.44. All of the services provided through BGHC are free to the patients. We seek funding through grants, fundraisers, individual donations, and health system collaborative partnership in order to provide these needed services to the community. Free and charitable clinics provide quality care for those who need it most by using volunteer doctors, nurses, as well as all other professionals and individuals who have the gift of caring and compassion to serve others.
