### **Form 990, Part III, Line 4a:**

Feeding Children Everywhere, Inc. (the "Organization") is a Florida not-for-profit corporation established to empower and mobilize people to assemble healthy meals for hungry children and their families. The Organization organizes scalable food packing events. These events are held primarily throughout the United States. The Organization implemented its first program in 2010 named Hunger Projects, allowing donors and volunteers to make a difference in the lives of hungry children, individuals and families worldwide. Hunger Project events consist of the packaging, shipment and donation of food to other nonprofit organizations in need. Those locations range from within the community near the packing sites, to international nonprofit organizations, or distributed directly to individuals and families through the Full Cart program. In an effort to diversify the Organization's revenue streams for operational and mission impact consistency, management developed a direct food delivery program named Fed 40. This program launched in 2016 and was intended to test the viability of direct shipment for food assistance packages. This program shipped over 350,000 meals within eighteen months of the pilot. The feedback received revealed an important component of need, which led the Organization to pilot to a larger scaled version of the program named Full Cart. The Full Cart Program, an online grocery delivery system model, was designed for individuals and families simply seeking a lower-cost alternative to expensive online food delivery programs within the domestic United States. Bringing Full Cart to scale required an adjustment in the Organization's warehouse capacity, a realignment of staffing needs and a change to our fundraising model. During the last quarter of 2019, the Organization received a \$1,000,000 grant for the Organization's efforts to expand the Full Cart program which allowed for growth and created heightened awareness of the Organization's impact within communities. Additionally, the Organization received approximately 104,000 pounds of donated food which served 15 million meals. The Organization's donors include individuals, businesses, wholesalers, educational institutions, religious organizations, technical services and professional service organizations that provide the Organization with usable food, funding and resources to support our programs.

FORM 990, SCHEDULE D, PART X, LINE 2	<p>The Organization is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Thus, the Organization is not subject to corporate income taxes except for taxes on unrelated business income. Accounting principles generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Organization. The Organization's status as an exempt organization is defined as an income tax position under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Organization may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements. Management does not believe that the Organization has any material uncertain tax positions for the years ended December 31, 2019 and 2018.</p>
