Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Internal Revenue Code. As such, the Organization is generally exempt from income taxes. However, the Organization is required to file Federal Form 990 - Return of Organization Exempt from Income Tax which is an informational return only. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Organization, and has concluded as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken which would require recognition of a liability or disclosure in the accompanying financial statements. The Organization is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were issued, there were no audits for any tax periods in progress.</p>
