Form 990 (2016)

Form 990, Part III, Line 4a:

Healthy Living - Affordable Health and Wellness Programs YMCA programs and services offer individuals and families healthy solutions across all economic and demographic circumstances. YMCA membership engages over 132,000 individuals annually, providing an inclusive approach to connectedness among families and individuals in our community through youth and adult sports, education, and wellness programming. YMCA programs are open to the general public with options for scholarship funding. A YMCA membership provides access to information, facilities, and programs. The YMCA encourages a healthy lifestyle that connects people for healthier and happier living--from family yoga to toddler swim instruction to Healthy Kids Days. In the YMCA's Diabetes Prevention Program, a 12-month group-based program, a trained lifestyle coach will introduce topics in a small classroom setting and encourage participants as they explore how healthy eating, physical activity, and behavior changes help them reduce their risk for developing type 2 diabetes. In 2016, 256 individuals completed the program at 20 class locations through the region. Over 320 weekly sessions were held with an average weight loss of 5.1%.

Form 990, Part III, Line 4b:

Youth Development - Child Care The YMCA recognizes that high quality, affordable, child development services are critical for today's working families. The YMCA has before and after school child development programs, as well as award-winning quality infant through preschool care. As one of the largest providers of child development services in the Greater Cincinnati area, the YMCA is acting on its commitment to support family life, as a core education program for the future. Focusing on the diversity of the community, two infant sites, 16 early learning programs, and 73 before and after school programs provide a safe, educational, and enriching environment for over 5,000 children each week. Like all YMCA programs, child care is open to all, with financial assistance available. The YMCA provides financial assistance to needy families to help defray the cost of participation. A major portion of the cost of child care program expenses, over related revenue in this area, is covered by government grants and contributions.

Form 990, Part III, Line 4c:

Youth Development - Camps The YMCA provides a safe environment for kids to have an unforgettable summer of fun. We maintain the highest standards regarding program safety and quality. The camps are designed for children to learn about themselves and how to get along with others, caring and sharing in an atmosphere consistent with the mission and vision of the YMCA. In 2016, over 9,500 children and teens enjoyed amazing experiences at 13 YMCA summer day camp locations and our overnight camp at Camp Ernst. An excellent option for working parents, many families find this character-building time as important as a critical source of summer child care. Day camp programs have implemented the Y Camp Readers Initiative to encourage youth to read for a minimum of 30 minutes per day in order to combat summer reading loss and a Summer Passport was given to each camper to stay engaged and active all summer long. At Camp Ernst, over 3,500 children and teens are served during the nine weeks of summer camp. Over 350 of these camp participants were awarded full or partial scholarships to cover the cost of camp. The camp provides an incentive for all campers to perform community service (known as Community Exchange) for as many as 20 hours. More than 250 15 year olds volunteered for two to three weeks as members of the Crew program. Each crew member earns 80-120 volunteer service hours during their session.
