Central Appalachian NetworkThe Central Appalachian Network (CAN) is composed of eight nonprofits that promote sustainable community development in Central Appalachia. CAN's goals include strengthening Central Appalachia's healthy food sector through value chain development, increasing the capacity of CAN members and CAN partners, and engaging in policy change that supports sustainable development. CAN members strengthened local food value chains primarily through educational conferences, technical assistance, and small grants. Mountain Association serves as fiscal sponsor for CAN. Appalachia Funders NetworkThe Appalachia Funders Network (AFN) consists of member organizations who believe that their participation in the Network is helping to further their mission and deepen their impact. The purpose of AFN is to accelerate an equitable Appalachian transition by convening and connecting funders for learning, analysis and collaboration. AFN's seven groups aim to build community capacity, promote equity, revitalize downtowns, advance food and agriculture systems, lift up arts & culture as a community development strategy, promote clean energy and protect natural resources, and support a culture of health. Mountain Association serves as fiscal sponsor for AFN. Energy ProgramsMountain Association's clean energy programs fall under two primary programs, How\$martKY and Energy Efficient Enterprises. How\$martKY is a residential energy efficiency program that we run in partnership with distribution cooperatives from the East Kentucky Power Cooperative system, working to create more affordable, comfortable, durable and healthy housing through education, workshops, audits, and help accessing utility programs. Energy Efficient Enterprises helps businesses, nonprofits, and other enterprises identify how they're using energy and where opportunities for efficiency and cost savings may exist. General Community Development Historically, Mountain Association has provided administrative support services to and has maintained a joint employer relationship with several small nonprofits whose mission closely aligns with Mountain Association's. Currently Mountain Association provides these services to Kentucky Natural Lands Trust (KNLT). KNLT is a nonprofit conservation organization working to secure funds to protect natural lands and provide for their long-term stewardship.
