Name: Bethany House Services Inc

Form 990 (2019)

Form 990, Part III, Line 4a:

Bethany House Services (BHS) provides emergency shelter for families living on the streets, in their cars or abandoned buildings, and helps them achieve stable housing and income. The shelter meets each family's immediate needs for safety, housing, food and other necessities and provides a secure environment for parents to plan for their futures. The principles of Trauma Informed Care guide all interactions with mothers and children to provide psychological as well as physical support. In 2019, Bethany House sheltered 294 families, 1,174 individuals, 797 of them children. BHS social workers help parents identify the causes of their homelessness and provide support to overcome barriers to housing. These case managers assist families to develop a budget and a plan to establish employment or benefits, guide the search for housing, and establish connections with community resources. Mental Health assessment and counseling is provided by a mental health clinician on-site at the shelter and at home when the clients exit shelter. Every parent who enters shelter has experienced trauma and stress, all are referred to a mental health clinician for support. He/she listens, counsels, conducts assessments and refers clients to community mental health care providers for follow-up if needed. BHS provides Life Skills education to all adults while they are in shelter. The topics cover information vital to the successful transition of families from homelessness to stable housing. Life Skills classes teach parents the basics of independent living. Budgeting, finding a job, effective parenting, education resources, nutrition, housekeeping, tenant rights/responsibilities and other vital topics are presented. Children's Programming addresses the multigenerational aspect of family homelessness by providing parents with the skills for "positive parenting and by teaching the children in shelter to make healthy life choices. These high-risk children learn the importance of education, nutrition, health, self-esteem and non-violent conflict resolution. Children experiencing signs of traumatic stress or other issues are referred for counseling to our mental health partners.

Form 990, Part III, Line 4b:

Rapid Re-Housing provides financial assistance and services to quickly re-house and stabilize those families who are experiencing homelessness and living in an emergency shelter. The program provides case management, help finding affordable housing, short-term or medium-term rental assistance, credit counseling, security or utility deposits, utility payments and moving expenses. Case Management services are provided by the housing social workers who are also trained in Trauma Informed Care and follow the families after they move from shelter. Housing clients now receive diagnostic assessments and ongoing counseling from mental health collaborations. For high-risk families, the Child/Parent Coordinator follows the children in housing to ensure that they are enrolled in an appropriate school and are attending classes regularly. They also receive school supplies, uniforms and other clothing as needed. In 2019, 247 families were served, 972 individuals, 664 were children.
