Return Reference	Explanation
Schedule A, Part II, Line 1 Contributions	<p>The Organization's primary source of revenue is through contracts with the Indiana Department of Child Services. This contract revenue was reported on Line 10 - Other Income in prior year filings. After further review of the Schedule A and Part VIII instructions, this revenue should be reported on Line 1 - Contributions. The services provided are a direct benefit for the public rather than to service the governmental unit. Referenced Instructions : Whether a payment from a governmental unit is labeled a "grant" or a "contract" doesn't determine where the payment should be reported. Rather, a grant or other payment from a governmental unit is reported here if its primary purpose is to enable the organization to provide a service to, or maintain a facility for, the direct benefit of the public rather than to serve the direct and immediate needs of the governmental unit. For example, a payment to maintain library facilities that are open to the public should be treated as a contribution.</p>
