Seniors: The East Liverpool YMCA operates programs that improve the physical, social, and mental health of seniors. Senior citizens need a place to go, a place they can depend on. They need to continue having a mission in their lives, a sense of direction and purpose and a chance to volunteer. They need to have relationships with other age levels and cultures. The East Liverpool YMCA offers special programs designed to help older adults maintain the best physical condition possible which, in turn, helps them maintain independence and also helps address chronic disease and health care crises.
