Form 990, Part III Line 4(a): Head Start is a federally funded comprehensive child development program that has served low-income children and their families in Lorain County by Lorain County Community Action Agency since 1966. Head Start consists of two programs: Head Start and Early Head Start. Head Start serves 987 preschool age children. Early Head Start presently serves 40 pregnant women, babies, infants and toddlers. The federal government provides 80% of program funding to LCCAA. The remaining funding is raised locally as a match for in-kind contributions of goods and services, including parent and community member volunteer hours. The Head Start program offers comprehensive education, health and family social services, including services for children with disabilities. Head Start believes that parents are the first and best teachers in the lives of their children. LCCAA works to empower through the Parent Power Club. Parents have opportunities to gain educational information, employment opportunities, and a wide range of social services directly or through referrals with community partners. Head Start children enter kindergarten ready to learn with supportive parents experienced in advocating for them. Head Start is a unique organization in that it has a system of joint governance with the CAA. Parents serve in leadership roles on a Parent Policy Council and are involved in all areas of decision making.

Form 990, Part III, Line 4(b) Home Weatherization Assistance Program has not be operated by the agency since June 30, 2016.  
Home Energy Assistance Program: The Home Energy Assistance Program (HEAP) primarily consists of four components. It may be in the form of a one-time assistance to pay heating bills and/or a payment plan (PIPP+) based on a % of income paid each month by the client. The Winter Crisis Program provides assistance once per heating season to eligible low-income households that are disconnected, threatened with disconnection, or have less than a ten-day supply of bulk fuel. The Summer Crisis Program provides assistance with electric bills once per cooling season to low-income elderly households and to those with qualifying medical conditions. Eligibility for these programs is primarily based on household income.

Form 990, Part III Line 4(c): Community Service Block Grants: A long standing recipient of Community Service Grant (CSBG) funding, LCCAA's current approved CSBG funding is for program years 2017 and 2018. CSBG remains one of our federal government's major efforts in the "War on Poverty", The federal Government delegates responsibility for program administration to the state-level. Consequently, LCCAA's CSBG funding flows through the Ohio Department Services Agency. CSBG funding serves as important resource because approval is given to use the funding as needed locally. Monies are used to support the following: technology training, community assessment, community development, project warm, by car program, food pantry partnerships, and a workforce investment agreement.
