Form 990 (2018)

Form 990, Part III, Line 4a:

The House The Ronald McDonald House (RMH) provides a home-away-from-home for families who are facing one of the most difficult times in their lives the illness of their child RMH provides these families with more than just a comfortable bed and hot meal, they find support, compassion and understanding RMH is staffed 24 hours a day and volunteers are available from 9 a m to 9 p m each day of the year Many amenities are available for the families at RMH and play areas are provided so that the healthy siblings and children receiving outpatient care can lead as normal a life as possible This past year, 1,472 families stayed at the House, and the average length of stay was 12 nights Of the families staying at the House, 47% were from Ohio, 50% were from other states and 3% were International Families staying at the House are asked for a \$20 per night donation to cover a portion of the actual \$100 per room per night operating cost This not only includes the comfortable and private room, but also meals, activities, and tickets to area attractions that are donated by the community, computers to keep in touch with family and friends and to research their child's illness, an indoor recreation area and outdoor gardens to help families relax, laundry facilities available free of charge, and a supportive group of staff and volunteers who help these families through their challenges No family is ever turned away due to inability to pay, and often the suggested donation is reduced or waived in cases of financial hardship Approximately half of the families staying at the House cannot afford the room donation, resulting in almost \$135,000 in forgiven room payments In 2018, the RMH Rise & Dine program expanded to include more chefs Instead of groups planning their meals and purchasing the ingredients, they are given the option to donate \$400 and have a local chef plan the meal and purchase the ingredients The group works with the chef to prepare a nice, healthy meal for the families It becomes a mini cooking lesson for the group and provides an upscale meal for the families The program grew from 7 meals in 2017 to 68 meals in 2018 In order to keep pace with the increased demand for RMH services and answering the needs of families, RMH successfully completed a \$12 million capital campaign to expand and renovate the facility In addition to the individual, foundation, and corporate support, RMH strategically integrated New Market Tax Credits into the financing of the Capital Campaign, the first RMH in the country to ever receive this type of funding The ribbon was cut on the new addition and renovation on November 15, 2013, increasing the number of available rooms from 37 to 55

Form 990, Part III, Line 4b:

Family RoomsThe Ronald McDonald Family Room program allows RMH to serve families while they are at the hospital, enabling them to stay close to their child's bedside. Staffed by volunteers from 9 a.m. to 9 p.m. seven days a week, the Family Room provides families at the hospital with a warm, comfortable atmosphere where they can have a brief respite from the clinical hospital environment. In 2006, RMH opened the first Ronald McDonald Family Room in Ohio at University Hospital's Rainbow Babies & Children's Hospital. In 2008, RMH opened the second Family Room at the Cleveland Clinic Children's Hospital, followed by Cleveland Clinic Fairview in 2009 and MetroHealth Medical Center in 2010. In order to accommodate the demand for a place for a parent to stay close to their child at Cleveland Clinic Fairview, RMH added two overnight respite rooms to the Family Room in 2017. RMH opened four respite rooms at MetroHealth in 2018. This past year, almost 80,000 visitors made use of the amenities offered in our Family Rooms including the respite rooms, a lounge area, kitchen with light refreshments, laundry facilities, computer with internet access, children's play area, and shower facilities, or were served by the RMH Happy Wheels Cart which is taken directly to patients' rooms.

Form 990, Part III, Line 4c:

RedTreehouse org, Ronald McDonald Family Resource Link Formerly known as Tools for Today and Tomorrow, RedTreehouse org, was created in 2004 based on feedback from families staying at the House. Families stated that they felt comfortable while at the House because RMH staff and volunteers could point them in the direction of resources that could benefit them. When they left the House, this safety net of support was gone and the families had a difficult time finding the resources available to them. RMH formed a partnership with 8 local organizations that support families with a child who has a disability or chronic illness. By 2010, this network had grown from 8 founding organizations to 40 partners. The purpose of RedTreehouse org is to provide information and resources that can help families with their challenging journey. This is accomplished through a website that serves as a clearinghouse for hundreds of valuable resources, a listing of support groups throughout the area, and a web-based community calendar with information on educational workshops. Educational webinars were added in 2018. In 2018, RedTreehouse org served almost 21,000 visitors to the website.

STAR Center - Provides Support, Teaching, Awareness and Resources to Families Receiving Medical Care at an Outpatient facility University Hospitals Rainbow Babies & Children's Hospital (RBC) and Cleveland Clinic Children's Hospital (CCCH) both created new, centralized outpatient Community Medical Centers that are accessible to lower income families. These new Medical Centers opened in 2018 and improve access to quality health care for residents of Cleveland and surrounding communities, and house innovative programs for pediatric primary care, women's health care, and social services as well as educational programs to support patients, their families and the community. RedTreehouse org is one of the resources promoted at these new facilities. The Ronald McDonald STAR Center is an extension of the Ronald McDonald Family Room program and is located within these new Community Medical Centers. The rooms provide a fun, colorful, welcoming environment and an educational place for children while their sibling(s) receives outpatient treatment or their mother or guardian receives prenatal care. The non-clinical RMH staff work with the children on age-appropriate mini-lessons in healthy habits and positive well-being. Lessons are posted as a resource on the RedTreehouse org website. The STAR Center allows the child's parent or guardian to focus their attention on their sibling(s) who needs treatment, or on critical information about their own health and the health of their unborn baby. Without this option, children may not be brought in for treatment, or women may not come for prenatal care, because they do not have someone to watch the children. Babies of mothers who do not get prenatal care are three times more likely to have a low birth weight and five times more likely to die than those born to mothers who do get care. Inadequate prenatal care is associated with Low Birth Weight, Teen Birth Rates, Health Insurance Coverage, and School Readiness. The new STAR Center helps prevent one of the roadblocks to mothers receiving prenatal care and siblings receiving outpatient treatment.

2018 Ronald McDonald House Volunteer Program Upon entering the Ronald McDonald House (RMH), one of the four Ronald McDonald Family Rooms, or at one of the two STAR Centers, families are greeted by volunteers who act as host or hostess. The House and Family Rooms are staffed by volunteers from 9:00 a.m. through 9:00 p.m., seven days per week, 365 days per year. Volunteers assist in providing a warm, friendly, and supportive atmosphere for families. In addition to this priceless service, volunteers keep the House, Family Rooms, and STAR Centers neat and tidy, stock food items and beverages, maintain statistical records, and register families. Volunteers are truly the backbone of RMH. In 2018, 315 individual volunteers donated 34,931 hours of service provided at our House, four Family Rooms, and two STAR Center locations. Based on annual hourly rates determined by Independent Sector, this contribution is valued at over \$862,446. In addition to individual volunteers, RMH relies on group volunteers to provide supportive services for the families. In 2018, volunteer groups provided 775 acts of service in areas such as meals, chores, activities, and garden clean-up. All of these extra services that groups provide really make RMH feel like a home. The RMH Board of Trustees consists of 26 very dedicated volunteers who assist with the strategic direction of the organization. In addition, over 170 individuals participated on one of the eight RMH Standing Committees of the Board (consisting of both board and non-board members), Emerging Leaders (young professionals), Legacy Council (board members who fulfill their two, three-year commitments), and committees for the four major RMH fundraising events.
