SCHEDULE I, PART I, LINE 2	The selection process used to determine who receives funds and how much are based on an individual basis. However, every individual or family that receives funds has experienced issues that have created a need for our help. These include things like financial abuse in relationships, domestic violence that prohibits them from making ends meet or to escape the abuse, long term debt issues, loss of job or reductions in hours, the inability to make a livable wage, or barriers with physical and mental disabilities. LSSI meets with the individuals or families one-on-one weekly for financial mentoring, prayer and support while going through workbook programs and examining budgets, credit reports and helping to develop a savings habit. We also link them to community resources such as employment, childcare, and health care with the ultimate goal to help them have long-term independent financial stability.
