Part V, Line 4	The organization has adopted investment and spending policies for endowment assets that attempt to provide a stream of funding to support operations and programs of the organization by its endowment while seeking to preserve the endowment assets in perpetuity

**Supplemental Information**

Return Reference	Explanation
Part X, Line 2	<p>The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and state income taxes under corresponding provisions of Indiana tax law. Additionally, the Organization is not considered a private foundation under Section 509(a) of the Internal Revenue Code. The Organization files form 990 and the related state of Indiana return. The Organization has adopted the accounting standard on accounting for uncertainty in income taxes. This standard addresses the determination of whether tax benefits claimed, or expected to be claimed, on a tax return should be recorded in the consolidated financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization, and various positions related to the potential sources of unrelated business taxable income. The tax benefits that could be recognized in the consolidated financial statements from such positions would be measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses derecognition, classification, interest and penalties on income taxes, and accounting in interim periods. At December 31, 2018, there were no unrecognized tax benefits identified or recorded as liabilities.</p>
