Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Dearborn Community Foundation requires recipients to provide a final grant report within 6 months of the grant award date. The final grant report includes all necessary documentation to ascertain the proper use of grant funds in accordance with the grant agreement. The grant agreement is signed by an authorized representative of the grantee organization as well as an authorized representative of the Dearborn Community Foundation before funds are released to the grantee organization. The grant agreement specifically and clearly expresses the purpose of the grant. All unused grant funds must be returned to the Foundation by the grantee organization.

A few of the descriptions in all 3 front pages of Schedule I have wording such as endow, end, or endw. Due to the limited space in the description column the full wording of endowment distribution could not fit so the wording was abbreviated.

Form 990 Part VI Section B Line 11b - The Foundation's Executive Director, Treasurer and Accountant review the 990 and then they review and explain the 990 with the entire board of directors prior to filing the return.

Form 990 Part VI Section B Line 12c - Each year the policy is distributed to each employee, board and committee member. Each individual then must review the policy and disclose any conflicts of interest. If there are none then they must state that. Each individual also signs the form and submits the signed form back to the Foundation where it is reviewed by staff and kept on file. At meetings, everyone is reminded to abstain from voting when there is a conflict of interest. If the conflict of interest is due to a family member, for example with a scholarship, then the board member leaves during the voting process. Additionally, grant committee members excuse their self from the meeting when there is a grant in which a conflict of interest exists. DCF legal counsel provides a verbal explanation of conflict of interest and the parties that must be disclosed on the form at a board of directors meeting early in the year.

Form 990 Part VI Section B Line 15a - The executive director determines the compensation for all employees except for himself. Employees are reviewed annually and at that time compensation is also discussed. The executive director's compensation is determined by the executive committee. The executive committee reviews the performance of the executive director (ED) annually. Compensation is determined based on performance in relation to goals that were set in the prior year evaluation by the executive committee, experience of the ED, and compensation data for similar organizations and scope of responsibility, at a regional, state and national level. Once compensation is determined by the executive committee, it is brought before the entire board of directors and voted on in an executive session of the board. The review and decision are recorded in executive session minutes of both the executive committee and board of directors meetings.

Form 990 Part VI Section C Line 19 - The organization makes it governing documents, conflict of interest policy and audited financial statements available to the public upon request.

Form 990 Part XI Line 9 - Other changes in net assets consist of ASC 958 adjustments for agency endowments and custodial liabilities. Agency and Custodial activity is recorded in revenues (line 1 of Part XI), expenses (line 2 of Part XI) and unrealized gains (losses) (line 5 of Part XI) on Form 990 but in the financial statements are reflected as adjustments to the liability accounts and are not reflected as revenue and expenses in the Statement of Activities in accordance with accounting standards.
