Part IV Line 2b - The Organization's amount on Form 990 Part X line 21 consists of two components. The first component is the liability for funds held as agency endowments which represent funds placed on deposit with the Organization by other organizations based on their individual board resolutions. The second component is custodial funds that represent non-permanent grant programs. The Organization accounts for these transfers as a liability in accordance with applicable accounting standards.

Part V - Line 4 - The Organization's endowment funds are used to support charitable organizations that promote improvement in the quality of life in Dearborn County.

Part X Other Liabilities Line 2 - FIN 48 (ASC 740) Footnote - The organization is organized as a not-for-profit corporation under Section 501(c)(3) of the United States Internal Revenue Code. Accounting principals generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more than likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

**Part IV Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Dearborn Community Foundation requires recipients to provide a final grant report within 6 months of the grant award date. The final grant report includes all necessary documentation to ascertain the proper use of grant funds in accordance with the grant agreement. The grant agreement is signed by an authorized representative of the grantee organization as well as an authorized representative of the Dearborn Community Foundation before funds are released to the grantee organization. The grant agreement specifically and clearly expresses the purpose of the grant. All unused grant funds must be returned to the Foundation by the grantee organization.

A few of the descriptions in all 3 front pages of Schedule I have wording such as endow, end, or endw. Due to the limited space in the description column the full wording of endowment distribution could not fit so the wording was abbreviated.

**Form 990 Part VI Section B Line 11b - The Foundation's Executive Director, Treasurer and Accountant review the 990 and then they review and explain the 990 with the entire board of directors prior to filing the return.**

**Form 990 Part VI Section B Line 12c - Each year the policy is distributed to each employee, board and committee member. Each individual then must review the policy and disclose any conflicts of interest. If there are none then they must state that. Each individual also signs the form and submits the signed form back to the Foundation where it is reviewed by staff and kept on file. At meetings, everyone is reminded to abstain from voting when there is a conflict of interest. If the conflict of interest is due to a family member, for example with a scholarship, then the board member leaves during the voting process. Additionally, grant committee members excuse their self from the meeting when there is a grant in which a conflict of interest exists. DCF legal counsel provides a verbal explanation of conflict of interest and the parties that must be disclosed on the form at a board of directors meeting early in the year.**

**Form 990 Part VI Section B Line 15a - The executive director determines the compensation for all employees except for himself. Employees are reviewed annually and at that time compensation is also discussed. The executive director's compensation is determined by the executive committee. The executive committee reviews the performance of the executive director (ED) annually. Compensation is determined based on performance in relation to goals that were set in the prior year evaluation by the executive committee, experience of the ED, and compensation data for similar organizations and scope of responsibility, at a regional, state and national level. Once compensation is determined by the executive committee, it is brought before the entire board of directors and voted on in an executive session of the board. The review and decision are recorded in executive session minutes of both the executive committee and board of directors meetings.**
