Part I Summary

1 Briefly describe the organization's mission or most significant activities:
The Washington County Family YMCA is a volunteer led charitable organization of men, women, and children of all ages, abilities, races and religions. Our mission is to put Christian Principles into practice that build healthy spirit, mind, and body for all. The Y is a leading voice on health and well being. We bring families closer together, encourage good health, and foster connections through fitness, sports, fun and shared interests. As a result, thousands of people in our community are receiving the support, guidance, and resources they need to achieve greater health in spirit, mind, and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance, and individuals search for personal fulfillment. Our programs are accessible, affordable, and open to all faiths, backgrounds, abilities, and income levels. Financial Assistance is available to all because of the generosity of our community donors and members.
