**990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 12c	<p>On an annual basis, officers and directors are required to disclose any possible conflicts of interest per the organization's compliance policy on a form that is included in the Compliance Policies section of the Handbook. Additionally, staff are required to review and respond to this form per the policy. It is expectation that the board members and staff will respond truthfully. However, this is rural America where the business of all is known by many. It is very difficult to hide a conflict. If an individual is found to have a conflict upon disclosure or pre-existing knowledge, the staff and board members will be required to refrain from participation in any activities or decisions that would be pertinent and /or relate to the conflict. This Agency's primary funder has recently issued a new and more detailed conflict of interest form. It is the intent of management to begin using this form to be in compliance with the expectations of avoiding any real or perceived conflicts of interest on the part of staff and board.</p>

**990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 15	The board of directors conducts evaluations of performance and approves the compensation of the executive director. Wage comparability studies have been completed in the past in order to set the base ranges to the market. This was done for key staff and all agency positions. The board of directors also approves the budget that includes any cost of living increases. Historically, if a cost of living increase is approved, then all staff are eligible and the base ranges per the salary schedule have been adjusted accordingly.
