01. Program accomplishments (Part III, lines 4a, 4b, 4c)

The \$1,991,720 raised by Zacharias Sexual Abuse Center (ZCenter) in FY2018 supported 26,434 individuals with sexual assault counseling, advocacy and prevention education.

Through ZCenter's counseling and advocacy programs, survivors of sexual abuse and assault are assisted at all stages of their healing

journey. ZCenter offers direct client services, which include counseling, advocacy and information and referral services at no cost to

survivors and their non-offending families, and all of our services are available in English, Spanish and other languages as needed. We do

not accept insurance or payment for any direct client services. ZCenter's clients range from preschool age to people in their nineties from all

communities throughout northeastern Illinois. Counseling is offered in two safe, comforting and healing locations.

Information about Zacharias Sexual Abuse Center programs and services can be found at [www.ZCenter.org](http://www.ZCenter.org)

4a. Medical Advocacy: 232 survivors of sexual assault (including cases of rape and child sexual abuse) were assisted by a trained sexual assault victim advocate who provided support and ensured that survivors were well-informed of their rights throughout the medical process in the emergency room after an assault. Survivors were provided a packet with information on medical procedures, legal rights pertaining to evidence collection and crisis counseling services.

-Support Line Advocacy: 612 survivors were supported through our 24-hour confidential support line.

-Court Advocacy: 29 survivors received support from our highly trained court advocates who attended local judicial proceedings with or on behalf of survivors to help navigate the legal process. Court advocates also provided assistance with legal case management, reporting to law enforcement, referrals to file for crime victim compensation, and accompanying victims during "order of protection" and "civil no contact order" hearings.

4b. ZCenter staff and volunteer therapists, provided 5,314 hours of individual, family and group counseling for 700 survivors and significant others (513 adults and 187 children).

-ZCenter uses client-centered and trauma-informed therapy, which include art, play, sand tray therapy and other modalities. Studies show that when survivors are taught effective coping strategies and healthy ways to express themselves, they are less likely to turn to risky behaviors or unhealthy choices, such as substance abuse or self-harm.

Client Story A: A 14-year old female sexual assault survivor was provided art therapy during her counseling sessions...she created a mask

"The outside of the mask represents the side she portrays to others in her everyday life. Bright colors were used to represent the happiness

and laughter she shows to cover up what she genuinely feels like inside. The inside of the mask represents the loneliness and sadness

she hides from those around her. The glitter underneath the black paint represents the happiness she once felt before undergoing painful experiences "

Client Story B: A female ZCenter client, age 83, says "My sexual abuse came from my father at the age of seven. My mother knew but was afraid to do anything. I did not tell anyone until I was 30 years old, and my sisters and brother did not believe me. I then was unable to truly find any answers for my unrestful soul until I found help at ZCenter. With counseling and support, I have been able to start a new journey of healing. Today I find myself blessed with knowing that, at ZCenter, I was helped to go forward, and my future is brighter. I am open to receive love in grace and to give back love. My abuse will always be remembered, but it will not overcome my new skills for a better and brighter future. Thanks, ZCenter."

4c. ZCenter offers professional trainings and prevention education trainings to first responders, medical staff, faith-based leaders, court personnel and others who work with survivors of sexual abuse, as well as clubs, corporations and groups to educate about the reality of sexual violence and how to become part of the solution. Additionally, ZCenter offers research-based, age-appropriate workshops that aid children ages Pre-K - College in identifying and preventing bullying behavior, as well as to understand the rights they have to their bodies from an early age and ways they can seek help if abuse occurs. We also work with parents and school administration to ensure their understanding of sexual abuse and what they can do as safe and trusted adults for children in their lives. These programs identify warning signs of abuse and instruct on correct ways to respond if a minor discloses that they have been abused.

Empowered students are more likely to seek help if they know they will be supported, validated and believed.

-ZCenter staff networked with 3,811 members of law enforcement, medical professionals and other service providers.

-13,512 students (Pre-K to post-secondary), parents, and teachers participated in ZCenter's prevention education programs.

-1,162 members of the community were provided with information about sexual assault awareness and prevention.

-1,880 teachers and educator staff in schools received training to be prepared to educate and assist students in compliance with state law requirements.

-682 professionals in law enforcement, the medical profession, religious organizations, social services, and day care centers received training on how best to serve survivors of sexual assault.

-2,503 community members received information about sexual assault and abuse, and appropriate referrals were made to partner agencies as needed. 132 community members completed ZCenter's 40-hour volunteer training enabling them to assist with sexual abuse school prevention programs, court/medical advocacy, and 24-hour support line calls for the agency.

-104 active volunteers provided 479 hrs of Direct Service Medical Advocacy, 6,839 hrs of on-call Medical Advocacy, 206 hours of support line advocacy, 8,239 hrs of on-call support line advocacy, 54 hrs. of Court Advocacy and 600 hrs. of Prevention Education.
