- major facility and where a substantial number of employees of The Toro Company reside.
3. Locally sponsored, national horticulturally oriented programs will be considered on the basis of merit and available resources.
  4. The Toro Foundation uses its employee matching gift program as the principal means for addressing the financial needs of private and post-high school education.
  5. Federated or umbrella organizations, such as the United Way and its counterpart in the arts and education categories, will receive favorable consideration as opposed to individual programs/groups within the respective categories.

The Foundation operates on a calendar year. Organizations should not submit a grant application more than once in any 12-month period. Repeat requests will not be considered in the same year. An initial grant does not necessarily indicate or ensure continued support.
